6.1.2 A “day” is any school day in which the central administration offices of the Buena Park School District are open for business.

6.1.3 The “immediate supervisor” is the lowest level administrator having immediate jurisdiction over the grievant where the grievant is an employee. The “immediate supervisor” is the lowest level administrator having the authority to grant relief where the grievant is the Association.

6.2 Procedures

6.2.1 LEVEL I (Informal)

Prior to the filing of a formal grievance, an informal effort to resolve the matter shall be undertaken between the grievant and the immediate supervisor; provided the grievant brings the matter to the attention of said supervisor within twenty (20) school days of the time it is alleged the action upon which the grievance is based took place or from the time the grievant becomes aware of the problem.

ARTICLE 6 – GRIEVANCES (continued)

6.2.2 LEVEL II (Formal)

If the grievant and said supervisor are unable to reach a mutually agreeable solution by such informal effort, the grievant shall have fifteen (15) days after the grievance has been brought to the attention of the immediate supervisor to reduce the grievance to writing, setting out concisely the nature of the grievance and relief sought and submit to the immediate supervisor. Said supervisor shall furnish a written response to said grievant within ten (10) days upon receipt of said grievance.

6.2.3 LEVEL III

Should the supervisor expressly deny or fail to act, the grievant shall have the right to appeal to the District Superintendent. Said appeal shall be in writing, stating in detail the nature of the grievance and the relief sought. Within ten (10) working days or as soon thereafter as possible, the Superintendent shall hold a meeting with the immediate parties and their duly selected representatives, if desired, in an effort to resolve the grievance.

6.2.4 LEVEL IV

If the grievant is not satisfied with the decision at Level III, he may request the Association to submit the grievance to conciliation. The request shall be made within ten (10) days of the receipt of the decision, or from the expiration of the time limit for management's decision at

The parties will set a meeting with a conciliator from the California State Mediation and Conciliation Service as soon as reasonably possible for all parties.

6.2.5 LEVEL V

If the grievant is not satisfied with the decision at Level IV, he may request the Association to submit the grievance to arbitration. If the Association concurs with the unit member's request for arbitration, the Association shall, within fifteen (15) days of the request, submit a request in writing to the Superintendent for arbitration of the dispute and the District shall comply with the request, except in cases of disputed arbitrability which shall be provided for hereinafter. 6.4.1 The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to the problem. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

6.4.2 Since it is important that grievances be processed as rapidly as possible, the time limits specified at each level should be considered to be maximums and every effort should be made to expedite the process. The time limit, however, shall be extended by mutual agreement.

ARTICLE 6 – GRIEVANCES (continued)

6.4.3 In the event a grievance is filed at such a time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, the time may be shortened by mutual agreement.

Association dues and fees, upon formal written request from the Association to the District, shall be increased or decreased without resolicitation and authorization from the employees.
- 7.4 With respect to all sums deducted by the District pursuant to authorization of the employee for membership dues, the District agrees promptly to remit such monies to the Buena Park Teachers Association. - 7.5 Any employee, who is a member of the Association, or who has applied for membership, may sign and deliver to the District an assignment authorizing

The 12-month period in which the twelve (12) weeks of leave entitlement occurs shall commence on the date the employee's first family care or medical leave begins. The twelve (12) weeks of family care and medical leave to which an employee is entitled under state law shall run concurrently with the twelve (12) weeks of family care and medical leave to which an employee is entitled under federal law, except for any leave taken under federal law for disability on account of pregnancy, child birth, or related medical conditions.

37.3.2 Medical leave under this regulation may be taken intermittently or on a reduced leave schedule when medically necessary. The employee may be required to take the leave for periods of a particular duration (not to exceed the duration of the planned medical treatment) or, if permitted by law, to transfer temporarily to a different job that has the equivalent pay and benefits but could better accommodate recurring periods of leave.

37.5 Maintenance of Benefits

37.5.1 During the period of family care or medical leave, the employee shall continue to be entitled to participate in the District's health plan and the District shall continue to pay the health care premium for the employee on the same terms as if the employee had continued to work during the period of the leave. ARTICLE 37 - FAMILY LEAVE ACT

37.5.2 The District may recover the premium that the District paid as required by state and federal law for maintaining coverage for the employee under the group health plan during any unpaid portion of the leave if both of the following conditions occur:

37521 The employee fails to return from leave after the period of leave to which the employee is entitled has expired.

37522 The employee's failure to return from leave is for a reason other than the continuation, recurrence, or onset of a serious health condition that entitles the employee to leave under state and federal law or other circumstances beyond the control of the employee.

37.6 Reinstatement/Non-Discrimination

Upon granting an employee's request for family care or medical leave, the District shall guarantee to reinstate the employee in the same or a comparable position when the leave ends.

38.3.2 within ten (10) working days following notice to the Association and before implementing any agreement, meet and negotiate with the Association if demanded by the Association over the accommodation and the impact or effects thereof on employees;

- 38.4 Notwithstanding the above, in the event the District and Association cannot reach an agreement over an accommodation which must out of necessity require a waiver of a term or condition of employment the District may implement such an accommodation if it can demonstrate that there exists no other viable alternative of accommodation that does not create an undue hardship and which does not require a waiver of a provision of the contract.
- 38.5 Agreement by the District or the Association to a particular accommodation shall not oblige either the District or the Association to accept the same or similar accommodation for any other instance.

ARTICLE 39 - MAINTENANCE OF BENEFITS AND COMPLETION OF MEET AND NEGOTIATION

- 39.2 The term of this agreement shall be July 1, 2023 through June 30, 2025. Where so effective, it shall continue in effect until midnight, June 30, 2025, at which time either party may terminate this contract by notifying the other party, in writing, at least ninety (90) days prior to June 30, 2025, of its intention to terminate this contract. If no such notification of termination is given, this contract shall automatically continue in full force and effect after June 30, 2025, for successive renewal periods of one (1) year each, subject to the right of either party to terminate this contract at the end of any such renewal period by notifying the other party, in writing, at least ninety (90) days prior to the end of such renewal period, of its intention to terminate this contract.

**APPENDIX 5 – MEMORANDUM OF UNDERSTANDING (ELIGIBILITY
FOR AND SELECTION OF TEACHERS FOR SUMMER ACADEMIC
ACADEMIES**

***MEMORANDUM OF UNDERSTANDING
BETWEEN THE BUENA PARK SCHOOL
DISTRICT AND
BUENA PARK TEACHERS
ASSOCIATION***

**REGARDING THE ELIGIBILITY FOR AND SELECTION OF
TEACHERS FOR SUMMER ACADEMIC ACADEMIES (Summer
School)**

This Memorandum of Understanding is entered into between the Buena Park School District and the Buena Park Teachers Association for the 2015-16 Summer School Academic Academies concerning eligibility for and selection of teachers to teach classes in Summer Academic Academies.

A. General Guidelines

1. The selection of all summer school teachers is a District responsibility.
2. Applications for summer school shall be submitted to the Curriculum Office. Applications received after the deadline will be considered last.

B. The Point System

1. The point system will be computed based on several factors. Priority for selection and assignment to Summer Academic Academies will be given to teachers who have the fewest points.
2. A minus one (-1) point shall be assigned to each Literacy TOSAs, current transitional kindergarten, kindergarten, and first grade teachers specifically for Jump Start Academy to best support our Early Literacy efforts.
3. One half (.5) point shall be assigned for each year that a teacher has worked summer school within a three-year period. Beginning with the Summer Academic Academy of 2000, the previous three years will be used to accumulate points: Summer 1999, Summer 1998, and Summer 1997.
4. One half (.5) point shall be assigned for each year the teacher was not employed full-time by the District during the regular school year for the same three-year period.
5. One (1) point will be assigned to each teacher who does not possess a valid teaching credential.
6. A minus one point (-1) will be assigned to each teacher who has never taught summer school.
7. The order of employment will serve as a tiebreaker for those teachers with the same number of points (i.e. teachers hired first in the District will have seniority over summer school positions).

C. Staff Development

1. Commencing with the 2000 Summer Academic Academy, unit members who wish to be eligible for a summer school teaching assignment will participate in a summer school staff development program designed to train teachers in the delivery of the prescribed program related to the specialized needs of low achieving students in reading and mathematics.
2. Unit members participating in a Summer Academic Academy staff development program will receive pay at the contract hourly rate of pay for the time spent in training not to exceed eight (8) hours.

D. Selection

1. Priority will be given for the selection of eligible summer school teachers with the lowest accumulated number of points and with the highest seniority for each specific Summer School Academy.
2. Those teachers will be afforded priority with regard to the additional teacher prioritized preferences: (1) Specific Academic Academies (2) Academy locations, (3) grade levels, and (4) curriculum strands.
3. In addition to the above point system, priority will also be given for the selection of eligible summer school teachers according to the following order:

Jump Start Academies

Literacy TOSAs, TK, K, and 1st grade teachers who possess a valid teaching credential

Literacy TOSAs, TK, K, and 1st grade teachers who possess a Reading Certificate 3-8

1. Members of the bargaining unit who are laid off shall receive notice of their legal rights.

The statutory rights and requirements set out in this Appendix are not subject to the grievance provisions of the Agreement and are provided solely as general guidance to the unit member. To the extent any provisions of this Appendix are not consistent with statute at anytime, it is recognized the District shall be held harmless from any such provision, and will act in accordance with current statutory requirements.

AND SEISMIC UPGRADE PROJECT AT COREY, EMERGY AND PENDLETON)**

**MEMORANDUM OF UNDERSTANDING
Between the Buena Park Teachers Association and Buena Park School
District**

April 28, 2015

This Memorandum of Understanding (M:OU) is made by and between the Buena Park Teachers Association and the Buena Park School District (District) as of April 28, 2015, regarding unit member support of the District's classroom modernization & seismic upgrade program. This MOU applies only to teachers directly affected by the Summer 2015 move at Corey, Emery, and Pendleton Elementary.

1. The District shall engage a professional moving company to pack and store classroom contents. Boxes, packing supplies, storage pallets and disposal bins will be provided by the District.
2. Teachers shall be formally noticed, 2 weeks prior to the last day they may occupy their classroom ("move-out period"), that they will be required to remove all personal belongings and make other necessary preparations to vacate their classroom so it may be renovated. The District shall not be responsible for lost, damaged, or discarded personal items.
3. Teachers shall be formally noticed (via school district e-mail and/or phone), 2 weeks prior to the date that they may re-occupy their classroom ("move-in period").
4. The District will provide a list of acceptable and unacceptable items to be returned to or otherwise allowed in the newly renovated classrooms.
5. During the 2 week move-out period, Principals will provide time during the teacher's on-site duty day for packing and un-packing by releasing teachers from regularly scheduled collaboration/staff development time and eliminating staff meetings to support the culling, inventory, and packing or disposal of classroom materials. The parties agree that under no circumstance should the move process negatively impact student and/or parent support activities. Unit members will continue to attend IEP meetings as they are scheduled.
6. During the 2 week move-out period, the District will provide each teacher up to 7.5 extra hours outside of their duty day at the contractual hourly rate of pay to support the preparation, packing and/or disposal of classroom materials and inventory.
7. Teachers shall be prohibited from individually carrying or moving items in excess of 20 pounds. For items in excess of 20 pounds, teachers will work directly with their Principals or move coordinator to provide appropriately equipped staff or hand tools necessary to move such items.

8. Teachers should plan on having access to their classroom on Friday, August 7, 2015 at 6:00 a.m. and a "move-in period" of August 7-11, 2015 to prepare their classroom for students. The parties agree to reduce school-wide and District meeting time during August 7-11 time period to 1.5 days. If the District determines that an earlier move-in date is possible, we will notify teachers as outlined in #3.
9. During the move-in period and for 1 week after, the District will provide each teacher up to 7.5 extra hours outside of their duty day at the contractual hourly rate of pay to support the continued preparation, unpacking, storage and/or disposal of classroom materials and inventory.

This MOU is intended to constitute all terms and agreements between the parties related to the subject move. The parties agree to set aside existing contract provisions that provide unit member accommodations for classroom relocation.

October 29, 2020**

Adherence to Health Guidelines:

The District shall adhere to the COVID guidelines issued by the Centers for Disease Control and Prevention ("CDC"), California Department of Public Health ("CDPH"), California Department of Education ("CDE"), the California Department of Industrial Relations Division of Occupational Safety and Health (Cal/OSHA), and the Orange County Health Care Agency issued as of 08/10/2020. The parties agree to meet as soon as possible to negotiate the impact and effects of any revisions or updates to those guidelines.

Classroom Space:

The District will ensure that teacher and other staff desks and teaching areas are at least six (6) feet away from student desks, and between employee workspaces and where practical, between student workspaces to avoid close contact. (Close contact has been defined as being within six feet of another for 15 minutes or more, even with a mask, within a 24-hour period.) Elementary classrooms will have a target of 15 students, and in no case shall exceed 16 students. Middle School classrooms will have a target of 16 students, and in no case shall exceed 17 students. If the number of students in each classroom exceeds the maximum, the administration will work with the grade level/department to determine pupil placement. Due to the nature of the larger class sizes in physical education at the two Middle Schools, alternate instructional settings will be provided to ensure appropriate social distancing in keeping with the CDPH guidelines. The target shall be 24 students, and in no case shall exceed 26. In order to even out the number of in person students per grade level, a discussion between the principal and grade level team members will take place.

One-way Directions/Movement:

Stairways and hallways will be one-way to the greatest extent possible following social distancing guidelines.

Multiple Assigned Entry/Exit Points:

If the District requests a unit member to provide coverage due to COVID-19 beyond their contractual day, the unit member shall be compensated at the hourly rate (\$40) of pay for the time worked beyond the normal before/after school duty.

Recess Issues:

If the District requires a unit member to monitor outdoor recess to maximize distancing and limit contacts, and/or preventing students from using shared equipment, a process will be created by the site administrator to allow for certificated ten-minute break.

In-person Staff Meetings:

The District shall not require in-person staff meetings or professional development if the District cannot ensure a minimum of six (6) feet of physical distance between all employees for the duration of the meeting and for entering/leaving the meeting. A video conference meeting, for example, will be held.

Personal Protective Equipment (PPE) or Essential Protective Gear (EPG)

Masks:

The District shall require the use of and provide facial coverings ("masks"). Individuals who cannot wear a mask because of a documented health issue, and an updated IEP has been written, shall instead be required to wear a face shield. Masks and face shields may not be required for children age two and under (with social distancing practice in place), or for students with medical apparatus which prevents or obstructs the use of the apparatus. Teachers working with sensitive populations shall educate and encourage proper mask wearing and social distancing. Student masks will be provided to members prior to student arrival.

Face Shields:

The District shall require the use of and provide face shields for those who cannot wear a mask due to health conditions, or due to the need based on the type of class. A facial covering must be worn when the face shield is removed.

Enhanced Facial Coverings:

The District shall provide extra respiratory protection for staff caring closely for individuals who get sick at the worksite with COVID-like symptoms, students who are not able to wear a mask, and also for those staff with high numbers of daily workplace contacts. Both groups will continue to explore reasonably priced

Aprons/Smocks/Partitions:

The District shall provide (disposable) aprons/smocks for staff caring closely for individuals who are sick, need hygiene care, or specialized feeding. Desk partitions will be supplied for each in-class student and unit member.

Hand sanitizer/soap/gloves:

The District shall comply with the following hand washing logistical requirements:

- a) every room with a sink shall be stocked with soap, hand sanitizer (60% minimum alcohol content), and an automatic hand sanitizer;
- c) common workspaces shall be provided hand sanitizer;
- d) hand sanitizer shall be provided at each ingress and egress point;
- e) all hand washing/hand sanitizing supplies noted above or otherwise provided shall be checked and restocked immediately as needed and prior to the beginning of each day.
-) disposable, non-latex gloves shall be available.

Other Health and Safety Issues**Daily Cleaning and Disinfecting:**

The District shall ensure that all classrooms, restrooms, and workspaces are cleaned and disinfected at least daily, including but not limited to desks, doorknobs, light switches, faucets, phones, and other high touch point items and fixtures, using the safest and most effective disinfectant necessary, as recommended by federal, state, and/or local health officials.

HVAC:

The District shall ensure all HVAC systems maximize fresh air flow, to allow for fresh air integration as indoor and outdoor conditions safely permit. Air filters shall be COVID-19 compliant and changed at the recommended intervals. Portables and/or other rooms without adequate central HVAC shall be equipped with four-part air filters with a large enough capacity and flow rate for the square footage of the room.

Health screening, testing, notification, and contact tracing:

The District shall ensure all students, employees, and visitors are checked for symptoms daily prior to entering school, including temperature checks via no touch thermometers. Visitors with any symptom consistent with COVID-19, that cannot be attributed to another health condition, shall be denied entry. Staff and students with any symptom consistent with COVID-19 or who have had close contact with a person with COVID-19 should be sent home or sent to an isolation room on site pending travel home.

Upon notification that an employee or student has been infected with COVID-19, the District shall work with local health department officials to initiate the proper next steps, including their instructions for contact tracing and contacting all persons who may have come into contact with the infected individual. The District shall notify the Association of the locations where the infected individual was present on the school premises during the suspected incubation/active infection period.

All bargaining unit members who may have been exposed to COVID-19 will be sent if requested by the member to a District contracted medical facility (Ex: Concentra) at no charge. The District shall follow all relevant privacy rights.

Year Re: Article 24.8 - Elementary Planning Time

May 3, 2024

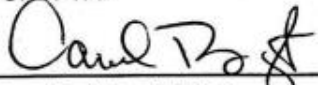

In order to facilitate enhanced professional development opportunities at our elementary campuses in the 2024-2025 school year, this one-year memorandum of understanding proposes to temporarily set aside the normal language of Article 24.8 which states:

By the eleventh (11th) student day, teachers in grades SDC Preschool through five (5) shall be provided one (1) period per week (approximately 75 minutes) of planning time for instructional purposes.

Instead, this one-year proposal for elementary school Thursday afternoons for the 2024- 2025 school year would be:

By the sixth (6th) student day, for the 2024-2025 school year, teachers in grades SDC Preschool through five (5) shall be provided with approximately 2 hours and 15 minutes of Thursday afternoons for planning time for instructional purposes, with one Thursday afternoon per month reserved for district/principal-directed professional development. Professional development opportunities will pertain to the job position held by the member. The district/principal-directed professional development cannot occur back-to-back, not on the weeks before or after a break, and not to exceed six (6) per year. To meet the unique needs of our students with special needs, Education Specialists may be scheduled for up to four (4) additional professional development sessions specific to special education which will not exceed one (1) hour each.

**APPENDIX 14 – MOU FOR EVALUATION INSTRUMENTS FOR SCHOOL
COUNSELOR, SCHOOL NURSE, AND SCHOOL PSYCHOLOGIST**

MEMORANDUM OF UNDERSTANDING

**Between the Buena Park Teachers Association and Buena Park School District
Evaluation Instruments for School Counselor, School Nurse, and School Psychologist**

February 18, 2025

This Memorandum of Understanding (MOU) is made by and between the Buena Park Teachers Association and the Buena Park School District (District) as of (date), regarding evaluation instruments for School Counselor, School Nurse, and School Psychologists.

The following is an overview of the process to develop evaluation instruments for these classifications:

- Starting with 2023-2024, three subcommittees were formed to develop evaluation standards for the evaluation document. Each subcommittee review the state or national standards related to the corresponding field and organized the standard into interconnected and manageable categories for the evaluations.
- This work was reviewed with school counselors, school nurses, and school psychologists in 2024 for input.
- The final organization of the standards were then transposed onto evaluation documents; one for School Nurses, one for School Counselors, and one for School Psychologists.
- Meetings were held with each group of employees to review the draft evaluation instruments and final edits were completed:
 - School Counselors – January 30, 2025
 - School Nurses – January 11, 2025
 - School Psychologists – January 11, 2025

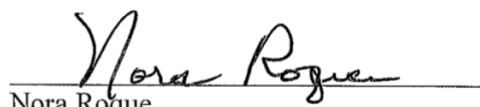

BPTA and the District have reached agreement as to the form and content of the new evaluation documents. These evaluation instruments will be implemented starting with the 2025-2026 school year.

This MOU is intended to constitute all terms and agreements between the parties related to the form, content, and implementation of the new evaluation instruments for School Counselors, School Nurses, and School Psychologists.
