PRE-K EARLY CHILDHOOD PROGRAM

Funding provided by:
PA Pre-K Counts Grant

Pre-K Philosophy

The Harrisburg Pre-Kindergarten Program is based on the belief that:

- Parents/Guardians/Caregivers are a child's first teacher.
- Children learn through play and exploration.
- Children are decision makers.
- Children are critical thinkers and problem solvers.
- Teachers guide learning.

The classrooms are divided into distinct learning

areas:

- | | |
|--------------------------------|---------------------|
| * Art | * Manipulative Toys |
| * Library | * Music |
| * Blocks/Construction | * Dramatic Play |
| * Computers / Listening Center | * Science |
| * Math | * Sensory Table |

Children's Learning:

Children's individual development and learning are constructed on a continuum that builds on prior experience and knowledge. Each child's unique learning style, ability and experiences join together to support progress along the continuum.

Our Pre-K program teaches the whole child. Students are provided with opportunities to learn, play, discover, and grow in areas that will enhance their academic, emotional, and social development.

Pre-K Counts Grant:

The School District of Harrisburg's Pre-K program is fully funded by the Pre-K Counts Grant. Because of this, there are specific program requirements regarding attendance and participation.

Early Learning Curriculum- *Teaching Strategies* is **the** approved curriculum all teachers will be using to support the learning and development of our PreK scholars. *Heggerty* is the approved foundations program utilized to develop a child's phonemic awareness, the ability to notice, think about and work with individual sounds. Second Step and AI's Pals are the learning tools teachers will use to support social emotional learning, a vital component of the PreK academic journey. To monitor the progress of our PreK scholars, teachers will administer various formal and informal assessments and share this progress observed around your PreK scholar's early learning development.

Multi Language Learners/Title III Program:

As a requirement under Title III funding, the Harrisburg School District provides programs and services specifically for our families of multilingual learners. These programs and services enable parents, guardians, and families to support the education of their children. Through targeted language-based programs, families of multilingual learners develop literacy skills to enhance communication between home and school.

At the time of enrollment, parents and guardians of multilingual learners complete the home language survey. If it was indicated that the child speaks or is/was exposed to a language other than English, the survey will be reviewed by the English Language Development (ELD) Department. If further information is required for determination of the supports needed for the child, the parent or guardian will be contacted by our ELD Department.

Transportation:

Harrisburg School District provides transportation for our Pre-K Counts scholars. If your PreK scholar requires district transportation, please contact the Pre-K Counts office. Please note that transportation to the PreK Counts program is a privilege and is not mandatory. Therefore, it is important to adhere to the rules of the bus/van to and from school to ensure safety for all scholars.

In the event there is a concern, our transportation department will issue a bus conduct form in which you will be contacted to discuss and review. The goal of the discussion is to rectify the situation. However, if bus conduct write-ups become repetitive in nature, there may be a possibility of your child being removed from the bus/van for the duration of the school year. In the event there is a transportation concern please contact our transportation office at (717) 703-4055.

POLICIES, PROCEDURES, & GUIDELINES

Attendance:

- Students enrolled in the Pre-K Counts program are considered full-time students and MUST attend school every day.

The State of PA Pre-K Counts Grant Guidelines requires daily attendance and removal from the program once 18 days of absence has been reached to allow eligible students on the waiting list an opportunity to participate in the program.

Attendance Policy

To promote good attendance outlined in the proceeding policy, the following procedures must be followed: written doctor's excuses, attendance contracts, and consequences for excessive absences via removal from the Pre-K Counts Program.

Attendance: The Office of Child Development and Early Learning requires regular attendance of all students participating in Pre-K Counts. **Children must have an attendance percentage of 85% or better to retain Pre-K Counts funding.**

Failure to maintain the 85% attendance will result in loss of funding.

Excuses that may be considered "legal" absences:

1. Quarantined
2. Personal Illness
3. Religious Reasons
4. Death in Immediate Family
5. Natural Disaster or Severe Weather
6. Educational Trips (Required to have Director Permission – Trip Slip must be filled out ahead of time)
7. Reasons agreed upon by the Director in Advance (Written Documentation Needed)

Late/Arrival Tardiness: It is important that your child arrives on time and is ready to learn. Please be aware of your child's start time.

Excessive Absences/Tardiness: The Commonwealth of Pennsylvania requires a parent/guardian to provide the means for their child to attend school regularly. Physicians' notes, or other legally verifiable excuses, are required for ALL absences over ten (10) cumulative absences per school year.

Consequences of Excessive Absence/Tardiness: If a child has been absent/late for an accumulation of 5 or more days and/or exhibits a pattern of excessive absences during the school year, parents/guardians will receive a written notice stating that their child is jeopardy of losing Pre-K Counts funding. **Excessive Absences or Tardiness may not total more than 18 days per school year.**

Absences:

- If your child is absent, you must have a note on the day your child returns to school.

<u>Types of Absences</u>	<u>Definition</u>	<u>Examples</u>
Excused Absences PROOF REQUIRED	Those absences when a student is prevented from attending for mental, physical, or other urgent reasons	<ul style="list-style-type: none">• Illness• Family emergency• Death of a family member• Doctor appointments• Fire/Natural disaster• Others as determined by the Supervisor or Principal• Approved educational trips (no more than 5 total days per school year)
Unlawful Absences	Any absences that are not included in the above definition of excused absences	<ul style="list-style-type: none">• Absences not noted above Educational Trips that have not been approved• Any educational trips more than 5 days per school year• Transportation issues

<u>Number of Unexcused Absences</u>	<u>Action Taken by the District</u>	<u>Reason</u>
3 Days Consecutive Unexcused Absences	The classroom teacher will also communicate with you regarding your child's absences and remind you of the Grant-Required Attendance Rules.	The call is to be proactive in finding and assisting with a solution to avoid excessive absences that may lead to removal from the program.
5 Days Consecutive Unexcused Absences	A letter will be sent home. The classroom teacher will call to communicate with you regarding your child's absences and remind you of the Grant-Required Attendance Rules.	The letter and call are to be proactive in finding and assisting with a solution to avoid excessive absences that may lead to removal from the program.
10 or more consecutive or more than 10 percent unexcused absences over the course of the school year	The Pre-K Counts Department will contact you for a meeting. Your availability is mandatory. If you cannot be reached by phone, an alternative method will be tried.	Students with 10 or more consecutive unexcused absences are considered chronically absent. A formal meeting is required to resolve the issue and avoid further absences that may result in removal from the Pre-K Counts Program.
18 or more unexcused Absences	Removal from the Pre-K Counts Program	The State of PA Pre-K Counts Grant Guidelines requires daily attendance and removal from the program once 18 days or more of absence is reached to allow eligible students on the waiting list to participate.

Educational/Trips:

- Please do not plan educational trips more than 5 days during the school year.
- There is an official district approval form that must be completed and submitted to the school secretary at least 10 days before the trip. Please contact your child's teacher or the school secretary for this form.
- No more than 5 days per school year will be marked "excused". •Any trips in excess of 5 approved days will be "unexcused" and may result in your child's permanent dismissal from the program.

Tardiness:

- The PreK school day is from 8:50 a.m.– 3:50 p.m.
- If your child is not at school by 8:50 a.m., he/she will be marked tardy.
- The accumulation of minutes tardy may add up to absences.
- When students are late to school they miss valuable instructional time.
- Tardiness is not only disruptive to the start of your child's day but also to others in the classroom.
- Tardiness letters will be sent and/or meetings/calls will be scheduled when your child reaches 5 unexcused tardies. Subsequent meetings will be scheduled at the discretion of the teacher, principal, and/or Early Childhood Director.
- If your child is late to school, he/she will not have a lunch choice.

Early Dismissal:

If your child needs to leave school early for an appointment, please notify the teacher ahead of time in writing.

Suspensions:

Harrisburg School District has a suspension guideline in place, but our goal for Pre-K Counts is to provide a developmentally appropriate learning environment for our early learners. We are committed to providing an environment which fosters support through appropriate social, emotional, academic, and physically engaging activities. However, we do know our early learners may require additional resources to support social and emotional needs. Our goal is to always keep our early learners in school and utilize preventative and age-appropriate measures. Through the support of OCDEL, we will provide the necessary resources to support our learners.

Additionally, our teachers will be utilizing AI's Pals, Second Step, and the OCDEL approved social and emotional learning resources to enhance the social and emotional needs of our students.

Process to Support Students to promote Positive Behavior:

- Use of Second Step and AI's Pals to support students social and emotional needs.
- Meet with parents to develop a plan to support behavioral need. Progress monitor.
- Incorporate school social worker and or counselor.
- Contact CAIU early intervention for support.
- Team meeting to determine if a better placement is needed to support the needs of the students and family.
