

VAS PTA Earth Day STEAM Night

Join us Tuesday, April 22nd
from 5:30-7:30pm for a
variety of Earth Day themed
activities

- Seed Balls-create a ball from recycled paper to plant in your garden
- Clay Impressions- use nature to create a clay ornament
- Up-cycled Sun Catchers- create a colorful sun catcher using up-cycled plastic
- Oil Spill Clean Up Experiment & Read Along- read a story and work together to clean up a simulated oil spill
- Water filtering Experiment and Read Along- read a story and design a water filter together

RSVP

*Note: Students/families may not be able to complete all activities at the event. Availability will be based on materials and time

Please use the QR code below to
RSVP for this event by 4/18

An adult must accompany all
children; this is not a drop off
