

Kerrville ISD Student/Parent Device Agreement: 2025-2026

STUDENT'S NAME: _____

This Student/Parent device agreement covers a computer device owned by Kerrville ISD

Kerrville ISD will provide students with laptops through our lending library. Students will bring this same device to all of their classes. This saves class time that would be lost getting a device from a cart, sign-in time, sign-out time, and putting devices back into carts. It also allows teachers to focus on 21st century skills and learning by ensuring that all students have equal opportunities at school and home.

The District is committed to maintaining the device in good repair and working order. Normal and reasonable wear is expected. There is no cost to parents for manufacturer defects or malfunctions. Please see below for guidance on what is covered if you pay for district insurance.

Kerrville ISD recommends "Optional District Insurance" to give parents the peace of mind that they will not have to pay large out-of-pocket costs for uncovered repairs, replacements, or losses. The district has created a self-insurance fund to offset the cost of device repairs, maintenance, and replacement. Please read below for information on the cost of optional insurance:

With insurance

Families with economic hardships may apply for assistance or request an extended payment plan for the insurance premium by contacting the campus principal.

Premiums are not refundable. If the student leaves the district and premiums have been paid, the premium will be re-applied if the student re-enrolls during the same school year.

Without Insurance

Parents selecting the "No" option below or if the insurance premium is not paid, parents are subject to standard repairs or replacement costs.

Parents will receive an invoice at the parent's e-mail address listed in Skyward for assessed fees for damage and other reasons.

Payment is due within 30 days unless other payment arrangements are made with the Kerrville ISD Technology department.

Unpaid invoices will remain with the student and can lead to the inability to walk the stage at graduation, other activity restrictions, or legal action if not paid after further notifications.

Acuerdo de dispositivo de estudiante/padre de Kerrville ISD: 2024-2025

Este acuerdo de dispositivo de Estudiante/Padre cubre un dispositivo de computadora propiedad de Kerrville ISD

Kerrville ISD proporcionará una computadora portátil a los estudiantes a través de nuestra biblioteca de préstamo. Los estudiantes traerán este mismo dispositivo a todas sus clases. Esto ahorra tiempo de clase que se perdería obteniendo un dispositivo de un carro, hora de inicio de sesión, hora de cierre de sesión y volviendo a colocar los dispositivos en los carros. También permite que los maestros se centren en las habilidades y el aprendizaje del siglo XXI al garantizar que todos los estudiantes tengan las mismas oportunidades tanto en la escuela como en el hogar.

PARTE 1: Seguro del dispositivo - Seguro opcional

El Distrito se compromete a mantener el dispositivo en buen estado y funcionamiento. Se espera un desgaste normal y razonable. Sin costo para los padres por defecto o mal funcionamiento del fabricante. Consulte a continuación para obtener orientación sobre lo que está cubierto si paga el seguro del distrito.

Kerrville ISD recomienda el "Seguro de Distrito Opcional" para darles a los padres la tranquilidad de que no tendrán que pagar grandes gastos de bolsillo por reparaciones, reemplazos o pérdidas no cubiertos. El distrito ha creado un fondo de autoseguro para compensar el costo de las reparaciones, el mantenimiento y el reemplazo de dispositivos. Lea a continuación para obtener información sobre el costo del seguro opcional:

Con seguro

Prima de \$25 por año escolar.

La compra del seguro cubre un año escolar de agosto a julio.

El seguro debe comprarse dentro de las 2 semanas posteriores a la recepción del dispositivo por primera vez o dentro de las dos semanas posteriores al inicio de clases para los estudiantes que ya tienen un dispositivo emitido.

El seguro sigue al estudiante durante el año escolar actual y no un dispositivo específico.

Las familias con dificultades económicas pueden solicitar asistencia o solicitar un plan de pago extendido para la prima del seguro comunicándose con el director del campus.

Las primas no son reembolsables. Si el estudiante deja el distrito y se han pagado las primas, la prima se volverá a aplicar si el estudiante se reinscribe durante el mismo año escolar.

Sin Seguro

Los padres que seleccionan la opción "No" a continuación o si no se paga la prima del seguro, los padres están sujetos a reparaciones estándar o costos de reemplazo.

Los padres recibirán una factura en la dirección de correo electrónico de los padres que figura en Skyward por las tarifas evaluadas por daños y otras razones.

El pago vence dentro de los 30 días a menos que se hagan otros arreglos de pago con el departamento de tecnología de Kerrville ISD.

Las facturas sin pagar permanecerán con el estudiante y pueden dar lugar a la incapacidad de subir al escenario en la graduación, otras restricciones de actividad o acciones legales si no se pagan después de notificaciones adicionales.
