Dear Parents and Guardians,

It is important that you are able to stay informed about your child's attendance, grades, lunch account, and assignments at the elementary and secondary school level. You can access this information through our JMC Student Management System. This is an online service that can be found on our school website at nrheg.k12.mn.us. The JMC Parent Online Access - Family portal link is located on the District home page and also on each of the Elementary and Secondary pages. Please be sure you are accessing the correct school year in the drop down box. The direct URL for JMC Parent Online Access is: nrheg.onlinejmc.com/Parent

All NRHEG Students are set up with a STUDENT Online Access account when they are enrolled. This allows them to keep track and take responsibility for their own grades, checking to see how they are performing on tests and assignments.

If you need to get setup for Parent Online Access, or if you are unsure if you have setup access in the past, please email Angie Aaseth.
