Salado High School is well established as one of the best high schools in Texas. Each graduating class has distinguished itself with numerous awards in academics, agriculture, fine arts and athletics, including the prestigious Lone Star Cup Award in 2013 and 2014. Texas Education Agency Designated Salado High School as a Texas STEM Academy. In 2016-2017 SISD received the Post-Secondary Readiness distinction from TEA.

MISSION

We empower today's youth to be leaders in a global society through educational excellence. We are committed to: Success, Innovation, Self-Reliance and Determination.

COMMUNITY

SHS is located in Central Texas, approximately fifty-four miles north of Austin and eighteen miles south of Temple. It is a desirable alternative for those who work in several surrounding cities, but choose a more personal education environment for their children. Salado ISD is the heart of the community, with one high school, one middle school, and one elementary school.

CURRICULUM

Advanced Placement (AP), Honors, OnRamps, and Dual Credit College Courses are offered. Students are offered the opportunity to participate in the Texas Bioscience Institute Middle College Program, on-campus dual credit and concurrent enrollment classes to earn college and high school credit.

REQUIREMENTS FOR GRADUATION

26 credits are required to graduate. SHS offers the Multi-Disciplinary, STEM, Business and Industry, Arts and Humanities and the Public Service Endorsements**.**
