

Daniel C. Oakes High School Newsletter

December 10, 2021

News from Derek Fleshman, Daniel C. Oakes High School Principal

Enrollment Update: Thank you to everyone who came to our graduation on December 9th. Twelve students graduated during an emotional, and inspiring commencement ceremony. Our roster for next quarter is now in place and we will, as always, take in new students. For many of these young men and women, they are coming here for a new lease on life. Like the students who just graduated, these new students have taken their education into their own hands and are looking for something different...something alternative. I'm proud to say that we are eager to bring in 22 new members to the D.C. Oakes community in January!

Happy Holidays: From all of us on the staff at Daniel C. Oakes High School, I want to wish you a happy and safe holiday season. We, as a staff, will take these next three weeks to replenish ourselves and get ready for the 3rd quarter. Our doors will open on January 4th again for the first day of classes.
