Respect • Organization • Attitude • Responsibility

ROAR Award

During the third marking period, recipients were evaluated based on the “A” in ROAR - Attitude. Staff looked for students who positively contribute to the classroom environment, bring out the best in others, and exemplify the meaning of the Golden Rule.

During the fourth marking period, we will focus on the second “R” in ROAR - Responsibility. We will be looking for students who stay on top of grades and schoolwork, demonstrate good time management, and fulfill all school, extracurricular, and personal commitments.
