

2024 School Safety & Educational Climate Reporting

**Attn: DDCs, District Admins,
Principals**

Due: July 22, 2024

Helpdesks:
Student Data Services: DWTShelp@esboces.org

All public schools and districts, charter schools, and BOCES that were active for any period during the 2023-24 school year are required to submit data regarding School Safety and Educational Climate to the New York State Education Department (NYSED) ***including*** where the number of incidents reported is zero. In addition, all relevant incidents that occurred during the summer months of 2023, including when summer school was in session, must be included when reporting the 2023-24 data.
