

College Bridge/Green Light

Midlothian High School

Access your Certificate

1. Navigate to the My Achievements page in Edready
2. Login and click on view your goal
3. Click on the name near the top of the page
4. Click on my account in the drop down menu to be taken to the My Achievements page to see your certificate
5. Click on the Go to Certificate button to go to Green Light Locker

The screenshot displays the 'My Account' section of the Edready interface. At the top, there are two tabs: 'My Account' and 'My Achievements', with the latter being the active tab. Below the tabs, the heading 'Achievements' is visible. A table lists the achievements, with the first entry being 'Texas College Bridge Math Certificate' obtained on '05/12/2022 07:06'. In the 'Actions' column for this entry, there is a green button labeled 'Go To Certificate'. A red arrow points directly to this button. At the bottom of the table, there are pagination controls showing 'Page 1 of 1', '10 results', and 'Page: 1'.

Certificate Type	Date Obtained	Actions
Texas College Bridge Math Certificate	05/12/2022 07:06	Go To Certificate

Register your Green Light Account

Register GreenLight Account

1. Complete the on-screen form to register a GreenLight Locker account for Texas College Bridge. Complete the required fields, paying special attention to the following information. When all fields have been completed, click the **Sign Up** button.

The screenshot shows a registration form for a GreenLight Account. The form is organized into three columns. The first column contains fields for First Name (filled with 'Joseph'), Date of Birth (filled with '05/10/2003'), Email Address (empty), Password (empty), and a checkbox for 'I agree to the GreenLight Credentials terms of use'. The second column contains fields for Middle Name (empty), Select Gender (dropdown menu showing 'Male'), Confirm Email Address (empty), Confirm Password (empty), and a link for 'Already have an Account?'. The third column contains fields for Last Name (filled with 'Medina'), Mobile Number (empty), Username (empty), and a 'Sign up' button. Red text below the Email Address, Password, and Username fields indicates they are required. The 'Sign up' button is green and located at the bottom right of the form.

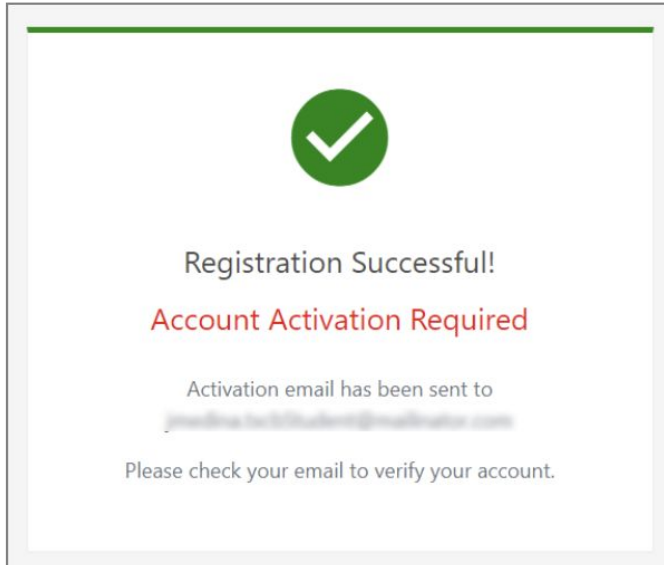

First Name *	Middle Name	Last Name *
Joseph		Medina
Date of Birth (MM/DD/YYYY) *	Select Gender *	Mobile Number
05/10/2003	Male	+1
Email Address *	Confirm Email Address *	Username *
Email Address is required		Username is required
Password *	Confirm Password *	
Password is required		
☐ I agree to the GreenLight Credentials terms of use		
Sign up		
Already have an Account?		

- **Email Address:** we recommend that you use a personal email address here, if you have one.
 - This is where password reset emails and your account activation email will be sent
 - If you use a school address, you may want to change it later so that you can get to your certificates even after you graduate.
- **Username:** will be used to login to your GreenLight Locker
- **Password:** will be used to login to your GreenLight Locker
- Be sure to agree to the GreenLight Credentials **terms of use**

Green Light Confirmation Page

2. You will see an on-screen confirmation message:

GreenLight Account Activation Request Form

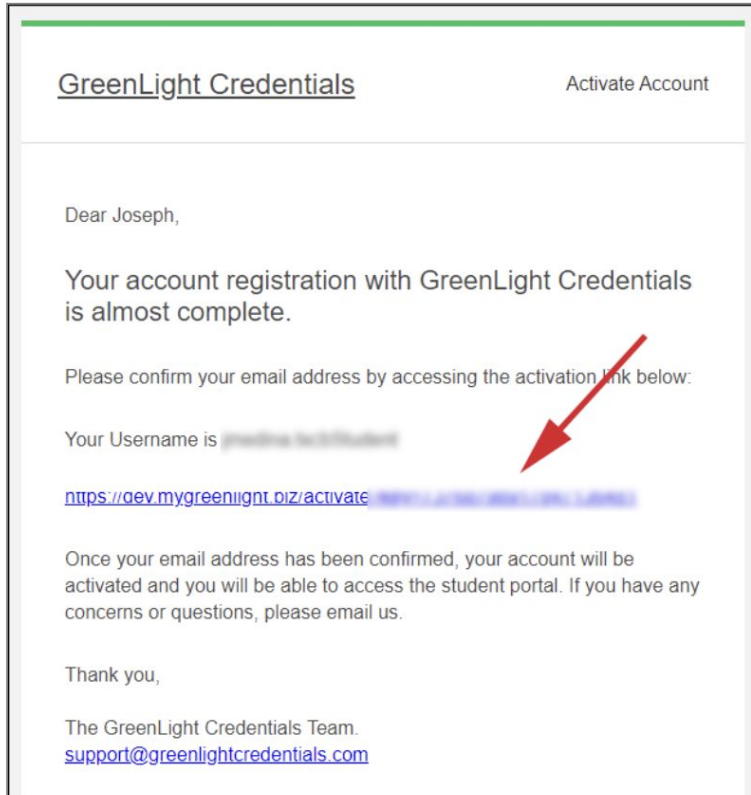

If you do not receive an email to activate your GreenLight account, please fill out the form at the link below. Include the email address you used to create your GreenLight locker. Allow 1 business day to process the request and then try to log in to your GreenLight locker again.

Activate Green Light

Activate GreenLight Account

1. Visit the inbox of the email address you provided as part of your account registration: you should see an email from GreenLight:

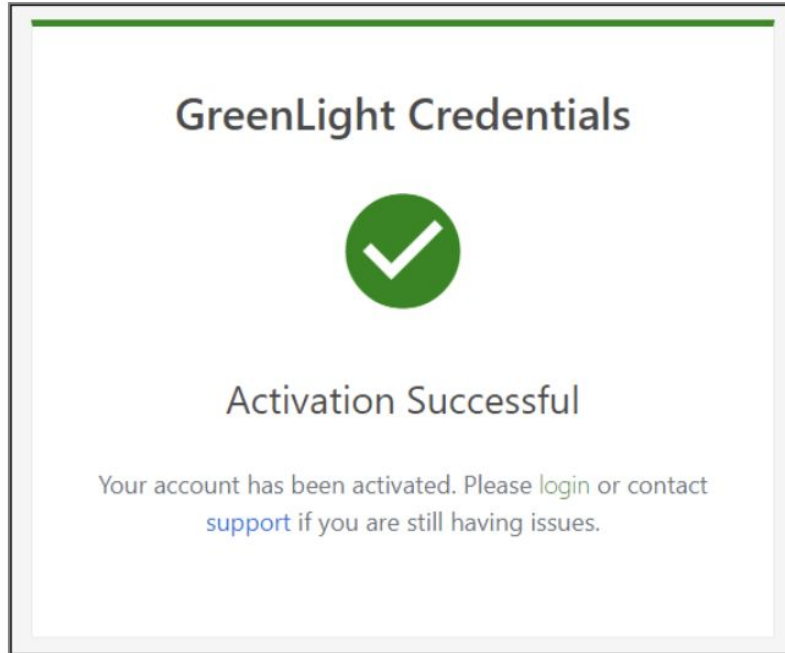

2. Click on the link in that email to activate your account. **This step is very important: you will not be able to log in until you click that link**
 - If you do not receive an email, check your spam folders. If you still do not see it there and you are using a school email address, check with your teacher or school contact to ensure that your school's email servers will accept messages from GreenLight.

Once your account is Activated

3. Once your account has been activated, you will see an on-screen confirmation message

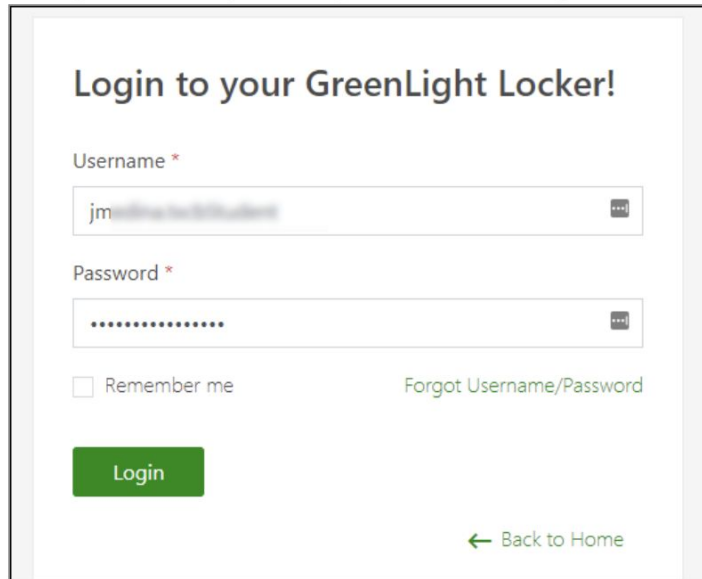

You will now be able to log in at <https://greenlightlocker.com/login>: account activation will no longer be needed in the future and you can directly log in from now on.

Login and Access Certificate

Log in and Access Certificate(s)

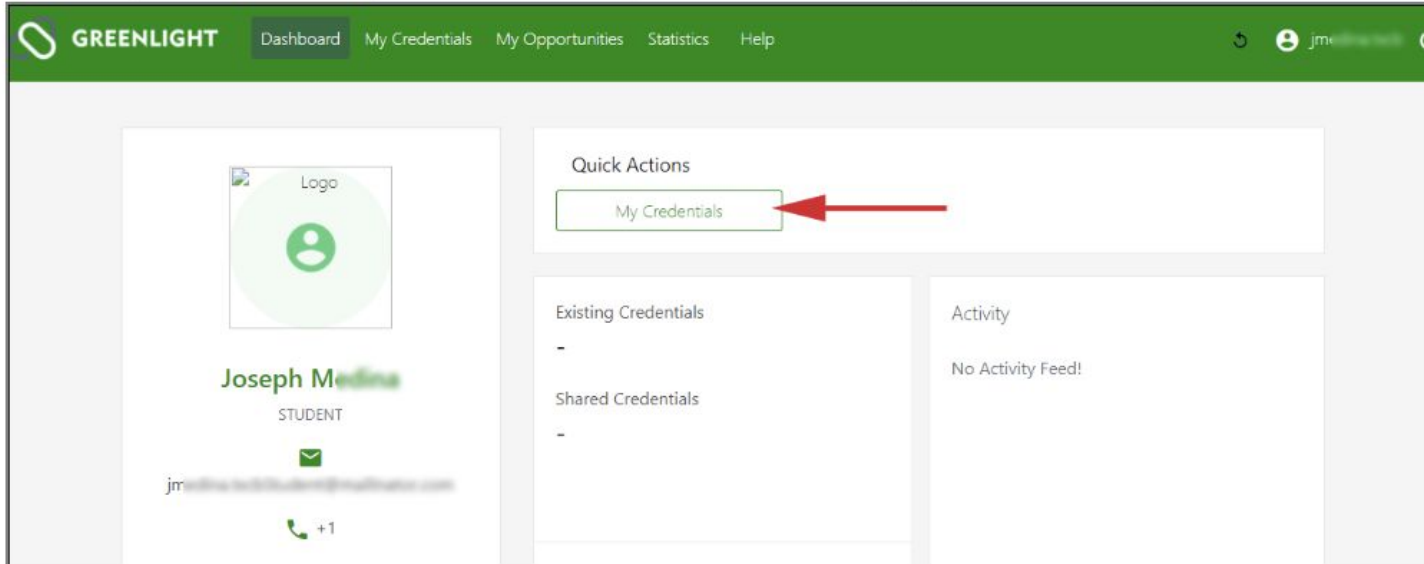

1. Visit <https://greenlightlocker.com/login> and login with the **username** and **password** you selected during account registration, then click the **Log In** button

A screenshot of the GreenLight Locker login interface. The page has a white background with a light gray border. At the top, it says "Login to your GreenLight Locker!". Below this are two input fields: "Username *" and "Password *". The username field contains the text "jm" and has a small icon on the right. The password field is filled with dots and also has a small icon on the right. Below the password field, there is a checkbox labeled "Remember me" and a link that says "Forgot Username/Password". At the bottom left is a green button labeled "Login". At the bottom right is a green link that says "← Back to Home".

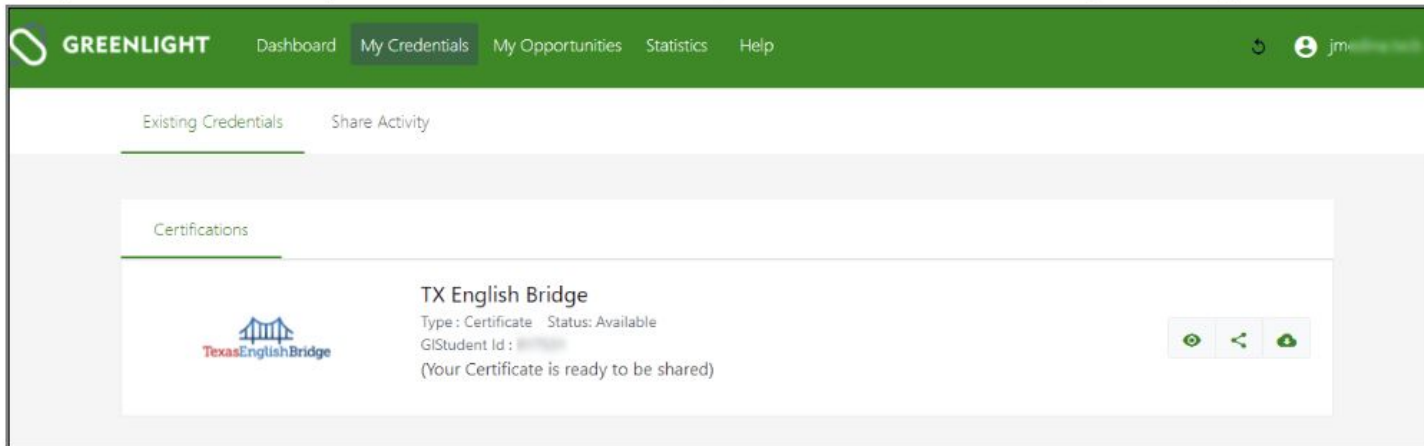

2. You will be presented with a short video about using GreenLight and sharing your transcript (certificates). When you have finished watching that video, click the **Click to Continue** button.
 - Note: you can always access that video here: <https://youtu.be/1ivDQSPe178>
3. Accept and electronically sign the on-screen FERPA statement, then click the **Save** button.

How to View Certificates

4. When you land on your GreenLight Dashboard, click the My Credentials button

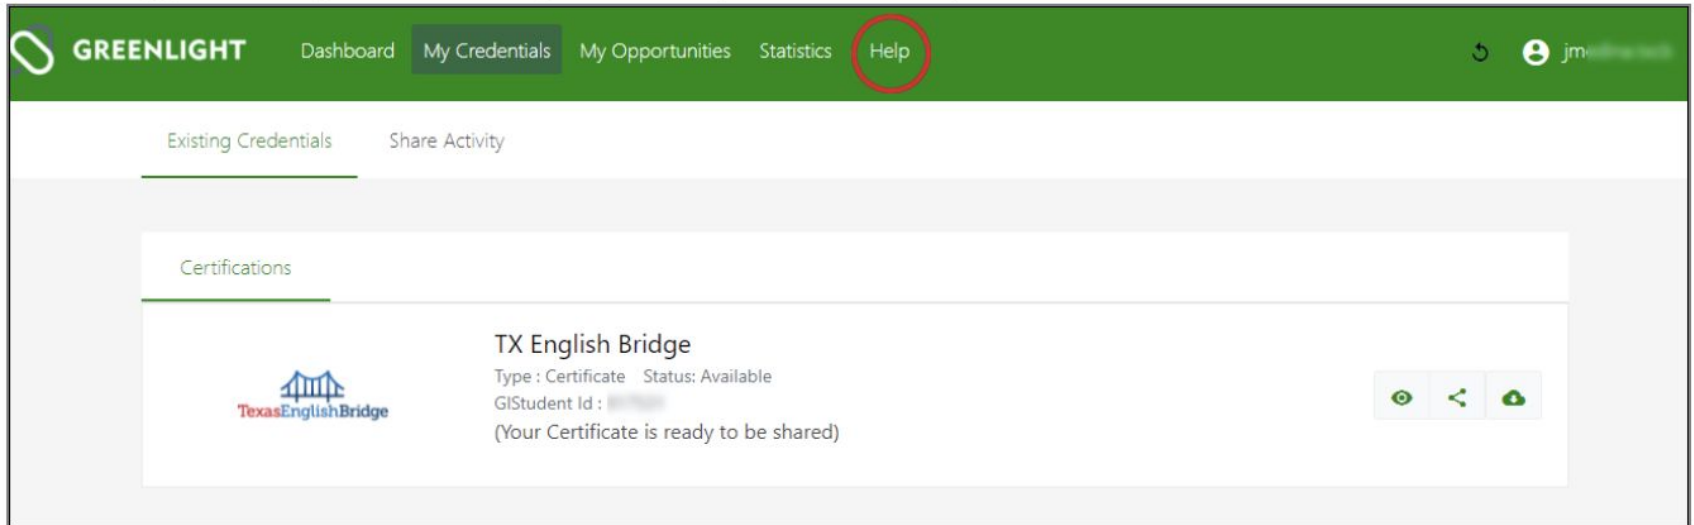

5. Any certificates you have earned as part of Texas College Bridge will be listed on-screen:

Green Light Help

Getting Help with GreenLight

1. Access support by completing the Contact form: <https://greenlightlocker.com/contact>
2. Once logged into your GreenLight Locker, click the Help link in the header:

3. Call the [Helpdesk](#) and select the option for GreenLight Locker.
