**MOU – Regarding Signing Up for Weekend and Holiday Trips**

This Memorandum of Agreement (MOA) is entered into by and between the Renton School District (RSD) and Local 6367 American Federation of Teachers (AFT), collectively the Parties (Parties).

The Parties agree that to maintain fairness, the following rules shall be implemented to supplement the process regarding the signup process for Saturday, Sunday, and Holiday trips currently described in Section 9.7.6.3 of the Collective Bargaining Agreement (CBA):

1. All drivers will have the opportunity to sign up on the trip list for weekend and holiday trips at the beginning of each school year.
2. The list will remain posted year-round and trips will be assigned by rotation. If a driver declines a trip, the trip will be awarded to the next available driver on the list.
3. Names of drivers will remain on the list for the entire school year unless the driver removes their name from the list. Drivers removing their name from the list will sign and date the list indicating their removal in the presence of the Transportation Director and a union representative.
4. Once removed from the list, the driver will not be able to add their name back to the list until the beginning of the following school year.
5. New drivers beginning employment during the school year will have the opportunity to sign up on the list, but will have to wait one full rotation of the list before being eligible for Saturday, Sunday, or Holiday trips

This agreement will remain in place until August 31, 2027.
