

STRATEGIC Kids®

at Stanwood Elementary

Master
Builders!

Master
Builders!

LEGO: Master Builders introduces students to the world of architecture and ignites their imagination! In this fun and engaging class, students learn simple architectural concepts while having a blast building their very own skyscrapers, columns, arches, piers, skylines, and more. The session culminates in an exciting challenge where they can design and build their own city, incorporating all the ideas they've learned in class!

LEGO® Teaches

- Fine Motor Skills
- Spatial Awareness
- Experimentation
