

According to state and federal law if the Governing Board permits the release of directory information relating to students to persons or organizations who inform students of educational or occupational opportunities, then the Governing Board shall provide access to directory information on the same basis to military official recruiting representatives for the purpose of informing students of educational and occupational opportunities available to them. Directory information shall be released on or before October 31 of each year unless the parent or eligible student requests in writing to the District (a letter to the Superintendent's office within two [2] weeks after notification) not to release directory information to any person or organization without prior signed and dated written consent. The District shall distribute a form, separate from any other form, designed and provided to districts by the Arizona Department of Education allowing pupils to request that directory information not be released. If the District distributes materials to pupils through electronic communication or on an internet website, the form may be distributed in the same manner. A person who is wrongfully denied access to directory information or access to school buildings, school grounds or other property may notify the Department of Education, which shall report the alleged violation to the United States Department of Education. If the parent or eligible student refuses to allow the release of directory information without prior signed and dated written consent, then the District will not provide military recruiters, upon request, directory information containing the student's name, addresses and telephone listings.

At the end of the two (2)-week period, if the parent or eligible student has not returned the form indicating refusal to allow the release of directory information, the District will assume it has their permission to release the above-mentioned information. This designation will remain in effect until it is modified by the prior signed and dated written direction of the parent or eligible student. The student's records will be appropriately marked by the records custodian to ensure compliance with the parents' or eligible student's request.
