

Different Levies Serve Different Purposes

OPERATING LEVY

Used to cover the day-to-day operating expenses of a school district, such as teacher salaries, utilities, and supplies.

PERMANENT IMPROVEMENT LEVY

Provides funds for maintaining, repairing, or purchasing assets that have a lifespan of five years or more, such as buses, technology, or facility repairs. By state law, this levy cannot be used for daily operational costs.

BOND LEVY

Used for long-term capital improvements such as building new schools, renovating existing structures, or purchasing land. Funds from Bond levies cannot be used for operating expenses.
