

A Future Including Employment

We are proud to tell you about an employment event brought to you by Harbor and Transcend.

The event is called A Future Including Employment.

This in person event that will be held at

Harbor Regional Center,
(21231 Hawthorne Blvd. Torrance, CA 90503)
on Wednesday April 16th from 5:30-7:30 p.m.

Light snacks and refreshments will be served.

As a family with a young person with a disability, it may be difficult for you to see a future for your young adult that includes employment. This workshop is designed for families who wish to know more about the role employment can play in their young adult's life.

Parents/Guardians (and Teachers/Agency Personnel) who support students ages 13-26 with disabilities are welcome to join in this informational meeting.

Topics To Be Discussed:

- * Why is employment important for young adults with disabilities?
- * What types of community support are available?
- * What are the strategies for preparing youth for employment success?
- * How does a person work and keep their SSI/SSDI?
- * What are the action steps to get you started with this process?
