Dear Friends of OPSF,

I am honored to announce and chair the 28th Annual OPSF Golf Classic taking place Thursday June 12th at the newly renovated Prairie Highlands Golf Course. Along with Presenting Sponsors University of Kansas Health Systems/Olathe Health and DS Bus Lines, the OPSF Board and staff anticipate hosting another exciting, sold-out tournament with 288 golfers representing over 100 local and regional businesses.

Each golfer in our annual tournament will be provided the opportunity to play 18 holes of golf on a par 72 course designed with the player in mind. Additionally, all golfers in the tournament will receive two meals, snacks, refreshments, tons of on-course hospitality and a chance to win some great prizes.

Most importantly, your participation will help the OPSF raise \$135,000+ to shine the spotlight on Olathe School District staff members, bring innovation to school buildings and support students who need us most.

Be sure to secure your sponsorship or foursome at your earliest convenience to guarantee your spot! Our event offers all kinds of fun sponsorships to get involved and have a great time interacting with staff, golfers and volunteers. Can't make it this year but want to show your support? We offer some great sponsorships that will help us reach our goal without requiring you to show a golf score.

Come join us for a fun and impactful day that helps us raise vital funding for needs-based funds at the Olathe Public Schools Foundation.

I hope to see you in June at Prairie Highlands!
