

## Referendum Announcement

On April 1st, 2025, the residents of the School District of Auburndale went to the polls to vote on two referendum questions brought forward by the school district. The first question was a \$4.5 Million school facility project consisting of district wide renovations, including classroom updates, construction of a safe and secure entrance at the Elementary School, roof replacement at both buildings, renovations of the secondary science classrooms and elementary learning spaces, replacement of the High School Track, and acquisition of furnishings, fixtures, and equipment. Below are the results on this question.

<b><u>Polling Place</u></b>	<b><u>YES</u></b>	<b><u>NO</u></b>
Town of Hansen	18	18
Town of Sherry	186	90

Town of Green Valley	3	0
Town of Arpin	195	222
<b>TOTAL</b>	<b>967 (49%)</b>	<b>1011 (51%)</b>

The timelines for the approved referendum will occur with the design phase in May with final review in the fall of 2025. Bids will be issued in the winter of 2025 with construction on the elementary and secondary buildings to occur in the summer of 2026. The roof, track, and mechanical construction schedule will be coordinated and arranged by the school. It is expected that all construction will be completed by the start of the 2026-2027 School Year.
