Photo of the Week

On Monday evening, more than 100 CV staff and educators participated in a workshop entitled *Pack Your Bags for an AI Driven Future!* with nationally renowned educator, author, and speaker Rachael Mann. Ms. Mann's presentation made the case for the "compelling why" behind why educators need to embrace generative AI as a tool to enhance both teaching and learning, while also addressing topics such as ethical considerations for the use of AI.

It was a fascinating presentation and attendees walked out with a lot to think about!

Reminder: Update Your PowerSchool Contact Info

CV encourages parents/guardians to regularly check their contact information in PowerSchool and to make changes as necessary.

There are **two** different contact forms parents should review and update as necessary:

- **Contacts Update:** Review and update contacts for school communications related to your student's discipline, grades, health, etc. via phone, email, and/or text message.
- **District Notification System Contacts Update:** Review and update contacts for district communications including attendance notifications, weather closures and delays, transportation changes, emergency information, and other district updates via phone, email, and/or text message.

How to Change Contact Information:

- Log into your parent [PowerSchool account](#)
- Navigate to "Forms"
- Click on and complete the "Contacts Update" and/or "District Notification System Contacts Update" form(s).

CV Cares

CV Cares is a decades-old program designed to recognize CV employees who have gone above and beyond to make our students, parents and guardians, and community members feel welcome and supported. The recognition could be for a single extraordinary event or an ongoing pattern of positive interaction and support.

If you have had the opportunity to be on the receiving end of this type of engagement, take a moment to fill out the [online form](#) to recognize that special educator. Remember, an educator is anyone who has the opportunity to positively impact the life of a child. As such, an educator can be a bus driver, secretary, custodian, teacher, cafeteria worker, school counselor, administrator, or any other support or professional staff associated with CV.
