Camp Safety

Emergency Preparedness

The safety of the campers and staff is of the highest priority in Magnolia ISD and Magnolia ISD programs. Each of the campuses has a comprehensive Crisis Handbook that addresses emergency situations. The Adventures staff is familiar with the plan for their location.

Health and Well-Being

Safety and well-being are a priority for the Adventures Program. All reasonable and necessary precautionary measures will be taken. Campers should be able to participate comfortably in the summer camp activities. If a camper cannot participate, parents need to notify the Adventures staff accordingly. Although the Adventures Program does not maintain an on-site school nurse or other health professional, the Adventures staff is trained in basic first aid, CPR, and procedures for handling accidents and incidents.

- Parents who have campers with medication needs must complete an ***Authorization for Dispensing Medication*** form. Forms may be obtained through the Adventures Program staff. The delivery, maintenance, and dispensing of medication will follow the same guidelines outlined in the Magnolia ISD Student Handbook.

- The Adventures Program does not provide extra clothes on site. Campers should have an extra set of play clothes to help with accidents of any type; and if necessary, the change of clothes could help your camper's situation immediately.
- Please refer to the Magnolia ISD Student Handbook for information regarding Accident Insurance and Emergency Medical Treatment. For specific questions, please contact the Adventures Program administration at 281-252-2040 or email adventuresprogram@magnoliaisd.org.
- Per the Texas Health Department, immunization records are required for each camper to participate in the summer camp program, even if records were previously provided to a MISD Campus. Immunizations can be uploaded to your Enrollsy account, scanned to adventuresprogram@magnoliaisd.org, or faxed to 281-356-1328.

The Adventures Summer Camp Program is licensed through the Texas Department of State Health Services. It is associated with Magnolia ISD and is operated by MISD employees.

Behavior Guidelines

The MISD Summer Camp Adventures strives to maintain a staff-to-camper ratio of 1:10. If a camper requires a lesser ratio, this program may not be best suited for the camper. In order to provide all campers and staff with a safe and enjoyable experience at camp, we adhere to the following disciplinary guidelines.

- Camper will be redirected to a more appropriate behavior and expectation
- If an inappropriate behavior continues, the camper will be provided with a consequence (ie. time-out based on age, sitting out from gym/pool time, etc.)
- If a camper's behavior still does not improve and is affecting the experience of other campers, he/she will be referred to one of the Camp Site Managers
- If inappropriate behavior continues, as a final action step, the camper may be suspended or terminated from camp
- Depending on the severity of the incident, disciplinary actions are at the discretion of the summer camp administration; which may include immediate suspension or termination.

Parents may be notified depending upon severity of the incident and/or to discuss further action. Camper fees are non-refundable if a camper is sent home for disciplinary reasons.

If a camper is terminated from summer camp, they will not be eligible to attend any programs until the following calendar year.

Camper Behavior Expectations

- We respect ourselves, other campers, and staff
- We use respectful and appropriate language
- We use appropriate voice levels inside and outside
- We respect school/camp property and equipment
- We are responsible for our belongings and do not take what belongs to others
- We participate in activities, follow instructions, and cooperate with staff
- We ask permission before leaving the group
- We respect Safety Guidelines (on the bus, on a field trip, on the playground, etc.)
- We have FUN!!

- Payment through our billing software system, Enrollsy with ACH Draft / Credit / Debit Card

Payment Deadline: Weekly tuition is due on Monday, the week prior to Camp. Auto-draft will be scheduled on Tuesdays, the week prior to Camp starting. If payment has not been received by the end of day Tuesday prior to Camp starting, the Camper will not be included in the next week's attendance roster and will not be allowed to attend the following week.

No Late Registration: Space is limited for Summer Camp and **there will not be an option for late registration**. Enrollment is scheduled by the week and a waitlist will be available if capacity has been reached for each week.

Credits / refunds may take up to 30 days to be processed.

Waitlists: If space is not available, parents will have the choice to add their child to a waitlist for any weeks that are full. Once space becomes available, parents will be notified in the order in which their child was added to the waitlist.

Any accounts that are unpaid by end of day Tuesday - the week prior to Camp starting - will result in the student being unenrolled for the following week and space will then be made available for those on the waitlist.

If campers are enrolled for several weeks of Summer Camp and their enrollment gets canceled more than once due to non-payment, any enrollments for remaining weeks of camp will also be removed. Parents will then have the option to re-enroll at a later date, if space is still available at that time.
