

# Highschool Facility Operations Internship

## ABOUT US:

Scoular's Operations Internship immerses you in the daily operations of one of our 100+ facilities across North America. You'll be at the heart of what we do, learning the business, driving a culture of safety and interacting with our internal teams.

## PROGRAM OVERVIEW:

Our program is designed to build your professional and personal skills, giving you real world experience and exposure to career opportunities for after high school. Interns play a pivotal role in our business by immersing themselves in our vibrant culture and collaborating closely with our dynamic team.

# Who you are:

- A high school student who is at least 16 years of age
- Action-oriented, enjoys working with hands-on projects – you do not enjoy being at a desk all day!
- Willingness to learn and apply innovative technology.
- Comfortable working in a fast-paced, high-volume environment.
- A natural leader with experience leading in clubs, athletics, projects, or student government.
- Active in the community giving back at school, your hometown, or on a global scale.

## PROGRAM PERKS:

- **Earn While You Learn:** Get compensated for your time and effort as you gain valuable industry experience.
- **Hands-on Experience:** Gain practical knowledge in the grain industry through immersive learning opportunities.
- **Skill Enhancement:** Develop essential professional and personal skills crucial for future career success.
- **Competitive Edge:** Stand out in the job market with valuable experience and industry-specific training.
- **Impactful Work:** Make a real difference in our business operations by contributing to various projects and initiatives.
- **Flexible Schedule:** Accommodate your academic commitments while gaining valuable work experience.
