Reminder: To help manage the event smoothly, ordering will be organized by grade level throughout the week. However, if you have multiple children, you **can** order all their pizzas on the same night. To do this, each order must be placed separately so that you can select the correct student. The best way to handle this is by **calling in your order** rather than ordering online/app.

Additionally, please note that delivery availability depends on your location. If you live between FM 830 and League Line, or in Watercrest, you are generally within the delivery zone. However, we encourage you to double-check that your address matches the store's delivery area. If your home is outside the delivery zone, your order will need to be for **pickup** instead. We apologize for any inconvenience this may cause.

Most importantly, **this is a fundraiser spirit night for our PE program**, so your participation directly supports our students. Thank you for your continued support—we can't wait to see everyone enjoying their pizzas in their beautifully decorated boxes!
