

Happy Sunday Fox Families,

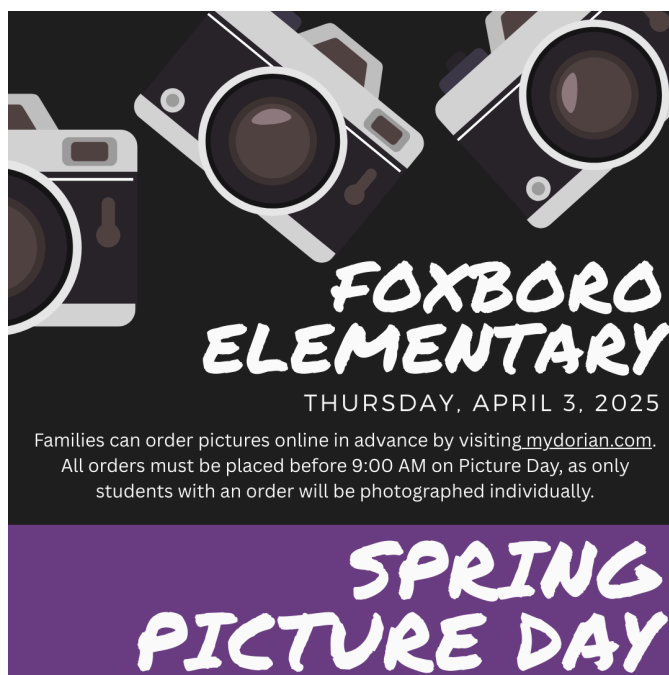

Every day is a great day to be a Fox!

Intent to Return

All Foxboro Families recently received a message via ParentSquare from Travis Unified School District regarding the Intent to Return form for the 2025–2026 school year. **Please complete one form for each child by Friday, March 28** to help us plan for next year and ensure your child's spot in our district. If you have any trouble accessing or completing the form, don't hesitate to contact the Foxboro Front Office for assistance.

Spring Picture Day

Spring Picture Day at Foxboro Elementary is coming up on Thursday, April 3, 2025. Families can order pictures online in advance by visiting mydorian.com. All orders must be placed before 9:00 AM on Picture Day, as only students with an order will be photographed individually. To help students look their best, consider scheduling haircuts seven to ten days before Picture Day and choosing simple, solid-colored or lightly patterned clothing. Avoid clothing with logos or large text, as these may not photograph well. See flyer attached to this update.

Statewide Testing

Statewide testing at Foxboro begins this week, and we appreciate your continued support in helping students feel prepared and confident. Testing will take place from March 31 through April 17, with different grade levels testing each week. This week,

third and fifth grade students will begin testing, followed by fourth and fifth graders next week, and sixth graders the week of April 14. That final week will also serve as a makeup testing window for all grades. Please help your child do their best by ensuring they get plenty of rest, eat a healthy breakfast, and arrive at school on time. For additional information, we've attached the full testing schedule and are re-sharing the parent letter that was previously sent home. Thank you for partnering with us to support student success.

Books Matter

Research shows that students who have access to 100 books at home and read daily experience greater academic success. Building a home library, even one book at a time, can make a powerful difference. The key is consistency and choosing books your child enjoys—whether it's graphic novels, animal stories, or joke books. To support families in growing their home libraries, Foxboro offers a Book Swap located in front of the multipurpose room (next to the Fox Food Pantry). It's always open—families are welcome to take a book, leave a book, or both. Every book counts, and every minute spent reading helps! Check out the attached flyer to learn more about how daily reading at home supports lifelong learning.

Book Matters: Why 100 Books at Home Changes Everything

Dear Parents,

My name is Julie Russo and I am the TUSD district librarian. I am writing to share some valuable information with our TUSD families.

Literacy skills are foundational to learning and academic success. Over the years, parents have asked me what they can do at home to improve their child's relationship with books, reading, and school. The first answer may seem obvious: read *to* them when they are young, and read *with* them when they are older.

The second answer may surprise you. The 'magic ingredient' to boost your child's chances of academic success is having a 100+ books at home!

Research shows that when children have access to at least 100 books at home, their chances of succeeding increase dramatically. One study found that 100+ books at home has a greater impact on a student's success than family income, parents' education, or any other factor they studied. *Every book in a child's home matters.*

If you would like to increase the amount of books in your home, here are some tips. Keep in mind that building your book collection doesn't have to happen overnight, or break the bank.

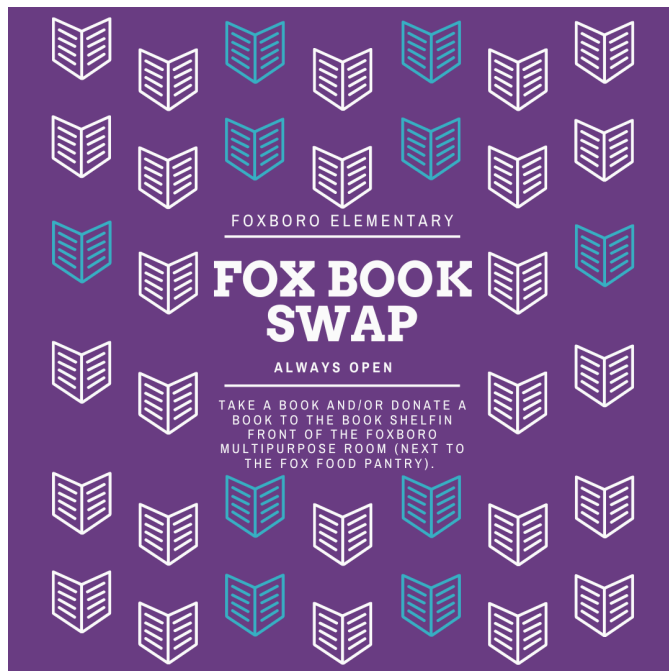

- Make use of your school library and local public libraries (library books count!)
- Check out your city's Free Little Libraries. They are a great way to share books in your community! Go to www.littlefreelibrary.org/map to locate them.
- Visit local thrift stores to purchase gently used books at great prices.

Happy reading!

Cell Phones & Wearable Technology on Campus

Just a reminder that students are expected to have their cell phones turned off and in their backpacks while on campus. Wearable Technology (including but not limited to

Google Glasses, Smartwatches, etc) shall be used only in accordance with school and district policies and should not disrupt the learning of others. Inappropriate use will be addressed through the appropriate policy violation.

If students need to call home, they can call from the phone in the office. Thank you for your support!

Classroom Observation Procedures for Parents/Guardians

Travis Unified School District welcomes the opportunity to collaborate with parents and guardians in order to meet the needs of our students. TUSD encourages interested parents and guardians to visit the schools and participate in the educational program. Procedures are established to ensure the safety of students and staff. (*Board Policy 1250, Admin Regulation 6116*). Please contact our front office at (707) 447-7883 to request a classroom observation or with any questions.

Dress Code & Grooming

TRAVIS UNIFIED SCHOOL DISTRICT GOVERNING BOARD POLICY

The Governing Board believes that appropriate dress and grooming contribute to a productive learning environment. The Board expects students to give proper attention to personal cleanliness and to wear clothes that are suitable for the school activities in which they participate. Students' clothing must not present a health or safety hazard or a distraction, which would interfere with the educational process.

Students and parents/guardians shall be informed about dress and grooming standards at the beginning of the school year and whenever these standards are revised. A student who violates these standards shall be subject to appropriate disciplinary action.

Dress Code

All students and adults, including visitors and volunteers, are expected to attend Foxboro Elementary School dressed appropriately.

Because it is difficult to regulate room temperatures, students are encouraged to bring a jacket to school. Students are encouraged not to bring expensive jackets, clothing, shoes, large sums of money, etc. to campus. Foxboro is not responsible for such articles.

Appropriate student attire, hygiene, and personal grooming are important to student success and safety. We are dressing for situational appropriateness. What might be appropriate dress for leisure activities may not be best practice at schools.

The following rules will be enforced:

- All clothing must be appropriate for school and must adequately cover the student's body, including legs, midriff, and chest.
- Clothing that exposes undergarments is not allowed.
- Shoes must be worn at all times. Shoes with built in skates are not permitted. Athletic shoes are recommended to be worn every day, as each day begins with JumpStart P.E. Tennis (athletic) shoes are the only type of shoes appropriate for PE. Students without tennis (athletic) shoes on their PE days may be offered an alternate activity if their shoes are not safe for the class activity.
- Articles of clothing which display profanity, obscenity, vulgarity; that display any other questionable printing; slogans which promote tobacco, alcohol, or drugs, or materially interfere with schoolwork, or create disorder, or disruption in the educational process, are not allowed.*
- Halter tops, strapless, single strap, backless shirts, spaghetti straps, see-through shirts or shirts which do not cover the midriff/chest area are not allowed. Jackets or sweaters must be worn over these types of clothes, or additional layers underneath.
- No short shorts or skirts. Shorts/skirts cannot be shorter than the length of your fingertips extended at your side. Leggings or tights may be worn underneath.
- No holes in pants above pocket line without leggings or tights underneath
- No gang-related attire is not to be worn. Gang related attire is defined by the Solano County Gang Task Force and the Fairfield and Vacaville Police Departments.
- No "sagging" pants (must be secure at the waist). Zip-ties are available from staff.
- Jewelry which could distract the educational process or which could be a safety or health issue is not acceptable.
- Make-up should not be applied at school.

It is important to note that certain inappropriate styles, items of clothing, or accessories may become popular during the course of a school year and may not be reflected in this code. Students and their families are hereby informed that the dress code can and will be modified by school staff without prior notice in order to address specific concerns pertaining to student dress or grooming that might cause and/or create a distraction, disturbance, safety hazard, and/or health hazard to students or others. Whenever such changes are made in the course of the school year, site administration will make every effort to communicate the new standards to students and parents alike.

Dress code violations are subject to progressive discipline. Students may be required to change clothes at staff/administration discretion.

*Inappropriate shirts will be confiscated and parents must claim them in the front office.

Drop-Off/Pickup

A free **breakfast will be available for all students starting at 7:30 a.m.** in the Foxboro Multipurpose room. If your student is NOT eating breakfast, **you may drop your student(s) off starting at 7:45 a.m.**

The Foxboro parking lot is closed to vehicle traffic from 7:45 a.m. – 3:00 p.m. The driveway will be coned off, accessible only to those with a handicap placard, school buses, and day care provider passes.

As a result, Foxboro has many alternate areas for student drop off and pick up. These routes help to ease the congestion at the front of the school during peak traffic times.

Some suggestions include:

- Park your car on an unmarked curb on the streets surrounding the campus and walk your children onto the school grounds using a crosswalk.
- Use the cement path that goes from the blacktop to the sidewalk on Youngsdale Drive.
- Use the walkway between the blacktop area and Arlington Park behind the school.
- Get together with your neighbors and take turns supervising the children walking to and from school.
- Have your child cross Morning Glory using the crossing guard and meet you at a designated place on Countryside Drive.

Dropping off and picking up your students in a timely manner is important and we appreciate your efforts!

Early Pick-Up

The end of the day is an important time in the classroom for reviewing the day's lessons, organizing materials and information that needs to go home, and bringing closure to the school day. It is also very difficult for the teacher and the class when we call and interrupt to ask for a student to be sent to the office for early pick up, and your child may miss out on important announcements and activities. For these reasons, **we discourage students from being picked up early near the end of the school day.** Please help us by honoring these last important minutes of the day.

Students leaving campus prior to dismissal must be signed out by an adult, 18 years or older, in the main office. Foxboro students may not leave with siblings under the age of 18. **Be prepared to show identification prior to release of the student.** Persons other than parents who are signing out students must be authorized to do so in writing by the parent or guardian. Persons over the age of 18 and listed on the student's emergency card are considered authorized to sign out students from school. **Plan to arrive a few minutes early as students will not be released from class until an adult arrives.** If your child will be picked up early, it is helpful to send a note to the teacher the morning of early pick up. Students returning to campus prior to dismissal must sign in at the office and proceed directly to class.

Foxboro Food Pantry

The Foxboro food pantry is in front of the school and accessible every day. Please come and take what you need and leave what you can.

Handle With Care

If your family is experiencing difficulties at home, we would like to provide additional support at school. We understand that you are not always able to share details and that's okay. If your child is coming to school after a difficult night, morning, or weekend, please email their teacher "Handle with Care." Nothing else will be said or asked. This will let us know that your child may need extra time, patience, or help during the day. Please also feel free to email this message to our student support specialists or administration at the following email addresses:

- Mrs. Joanie Olsen , Student Support Specialist jolsen@travisusd.org
- Mrs. Felipa Armstrong, Student Support Specialist farmstrong@travisusd.org
- Mr. Jonathan Fogarty, Asst. Principal jfogarty@travisusd.org
- Miss Kristyn Andrews, Principal kandrews@travisusd.org

Independent Study

If you know that your student will be missing school for a planned vacation, please sign up for Short Term Independent Study. You can sign up for independent study if your child will be out of school between 3-15 days, but you will need to sign up at least 5 school days before the absence will begin. Please contact our Foxboro office to sign up for Independent Study or if you have any questions.

Jumpstart

School starts at 8:00 a.m. each morning. We will gather as an entire school family on the blacktop for Jumpstart. Each classroom has a designated location on the blacktop and a buddy class of students to greet them each morning.

Jumpstart activities include announcements, weekly student recognition, the Pledge of Allegiance, Foxboro school pledge and Greatness Clap, and doing a dance led by Mrs. Jones, our PE teacher. **Your child should be seated in line next to this number each morning no later than 8:00 a.m., otherwise your student will be marked tardy.**

Family members on campus at this time are also encouraged to participate in Jumpstart. If you or another family member plan to participate in Jumpstart with your child, we ask that all non-school aged family members (adults and siblings) remain spread out on the sidewalk behind each class line. We thank you in advance for your cooperation and participation!

Mental Health Resources

In line with our continued commitment to supporting our students and families, we are pleased to share information about Mental Health Resources available both on and off campus, as part of the initiatives connected to [Assembly Bill 2022](#).

You will find important documents outlining these resources in both English and Spanish available on our [Foxboro Elementary School](#) website and in the Foxboro Parent & Student Handbook for your convenience. These documents can be found on pages 33-36 of the Foxboro Parent & Student Handbook. If you have any questions or need further support, please don't hesitate to reach out. Monica Padilla, our School Social

Worker, can be reached at mpadilla@travisusd.org or by phone at (707) 437-4604 x9185.

Office Hours

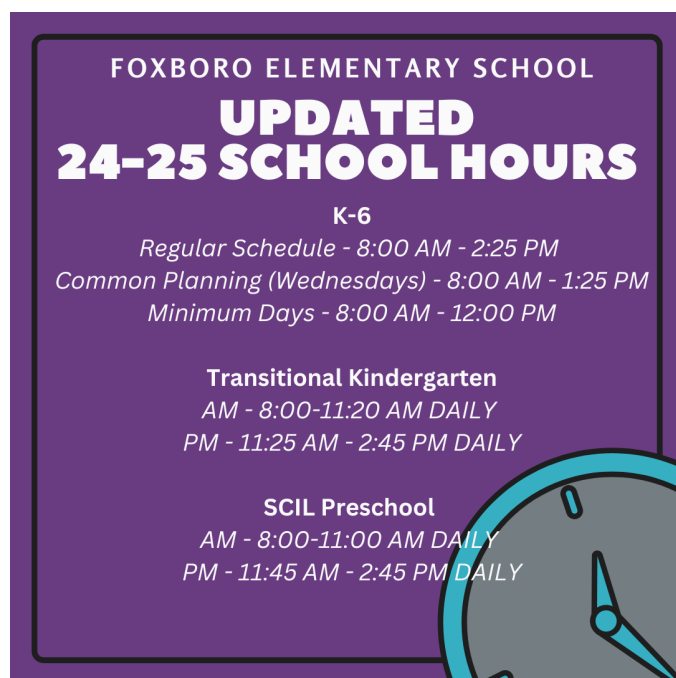

Our office is currently open from 8:00 a.m. to 3:00 p.m. Please stop by or contact the office at (707) 447-7883.

See Something, Say Something

Please know that the safety of our school community is always our highest priority. In the spirit of collaboration, please continue to encourage your children to report any safety concerns immediately to staff members and administration. Remember, if you see something, say something. If you hear something, say something. Working together, we will continue to keep our school safe.

School Hours

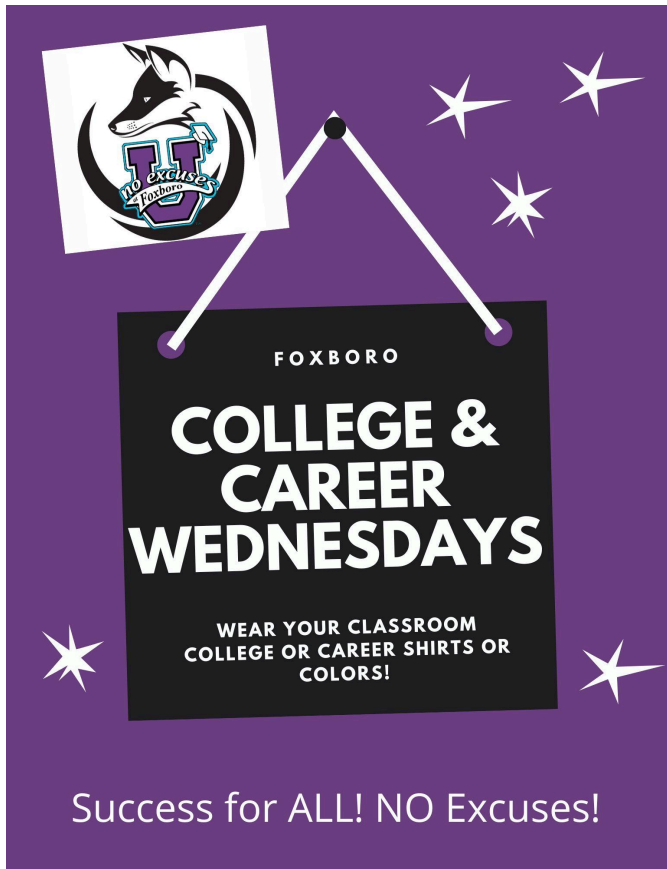

School Supplies

All school supplies that students need will be provided by the school/district. We suggest that you send your child to school with a backpack and a water bottle labeled with your student's name. Please reach out to our front office if you have questions or need help with school supplies or backpacks.
