A Word From the Principal

Deer Creek families,

April is an exciting time of year for students, as we are headed into the second half of the third trimester and planning for next year. It can also be a time when focus can be challenging, so staying informed about your student's progress is especially important. All grading information is available to families online through [Campus Portal](#). You can go directly to Campus Portal from our Quick Links on the [Deer Creek webpage](#). Gradebooks are updated each week, so this is a great tool for staying informed of your student's progress throughout the year.

Our [2025-2026 Family Calendar](#) is now available. It will also be posted on our website - if there are changes or additions to the calendar, it will be updated on the website and communicated to families.

End-of-Year Information

Here are the dates and events for the end of the school year:

Thursday, May 22 Due Date for All Graded Work

8:50 AM - 1:35 PM **Last Day of School for 8th Grade.**

Mountaineers of the Month - March 2025

Each of these students has demonstrated **PEAK** (Prepared, Engaged, Accountable, and Kind and Respectful) behavior and in doing so, is being recognized as our top Mountaineers for March 2025.

6th Grade

Caiden Downham

Caiden is polite, a hard worker, always trying to help and support his peers. He is consistently accountable for his actions.

Riley Goodwin

Riley is always willing to help anyone, and always has so much patience. Riley works hard and asks questions when needed.

7th Grade

Grayson Weinstein

Grayson is kind and respectful consistently. He demonstrates PEAK expectations and works hard with a positive attitude.

Kyler Zuber

Kyle is always looking to do his best. He is kind, respectful and responsible. He sets a good example for his peers, even when it can be tough to do the right thing.

Avilyn Brands

Avilyn does great work and pays attention in class. She has made many positive strides this year!

8th Grade

Marlee Rounds

Marlee is hardworking and is always a focused student in class. If she does not understand something she is willing and courageous enough to ask questions/seek clarification.

Ryane Castor

Ryane excels at advocating for herself. She is very kind to peers and makes it clear that she has high expectations for herself.

(L to R) Kyler Zuber, Caiden Downham, Grayson Weinstein, Avilyn Brands, Marlee Rounds, Riley Goodwin, Principal Brandon Hall)

EASTER
Sunday, April 20th

This Easter, memories are on the menu, not stress. So trade in the kitchen chaos for a lovely Easter celebration. A stunning 4-course fondue experience awaits.

CMAS Testing

On **April 9th, 10th and 11th**, students will be taking the Colorado Measures of Academic Success (CMAS), a state mandated assessment that determines a student's achievement and academic growth in relation to the Colorado Academic Standards, which are aimed at preparing students for college and career success.

Students will take the assessments on the following dates:

ELA and Math (All Grades)

- All grades will take the Math and ELA sessions throughout the day on **April 9, April 10, and April 11**
- On the testing dates of April 9, 10, and 11, students will have an early release from school at 1:20 pm.** Buses will pick up students at the early release time and drop off students 2 hours and 45 minutes earlier than usual drop off times.**
 - **Students who will receive extended time for their assessments will need to stay longer in the day. If they use all of their testing time, they will be finished by 3:00 pm. The students can call for a ride when they are finished or they can stay until 4:05 pm for a bus ride home. Families will be receiving communication if your student is receiving extended time.
- SSN students will be released at 1:20 and will depart on their regular bus routes, arriving to their stop 2 hours and 45 minutes earlier than usual.**

Science (8th Grade ONLY)

- 8th graders will take the Science assessments on **Wednesday, April 16.** 8th grade students will take 3 sessions of science on April 16. They will not have regular classes on this day. No early dismissal.
- 6th & 7th grade students will attend all classes following a typical schedule on April 16.

Deer Creek is committed to using a body of evidence to inform us about instruction and students' learning and progress. The data generated from a variety of measures, including CMAS, helps us meet the needs of all of our students and allows us to make decisions to improve student learning and growth.

Here are some additional important facts about the CMAS assessments:

- Please ensure that your student is attending school on testing dates. Please avoid late arrivals and early dismissals, as they might interrupt your child's testing session.
- Student Chromebooks must be fully charged and brought to school daily.
- Lunch will be served for all students before dismissal. Students may continue to bring a water bottle to testing, but should not bring any snacks or food items.
- Students who miss a testing session will make up that session. Make-up testing ends April 24.

At Deer Creek, we are committed to preparing students for a promising future full of choices. We value CMAS and other performance and growth data to make instructional decisions, while at the same time preserving instructional time in the classroom.

From the Dean

The countdown is on as we approach the end of another school year. During this time, we ask that families remain focused on school and supporting their students with making positive choices each day.

Here are some ways that you can help your student and their teachers:

- **be on time** - this is a life skill and shows respect for other people
- **be prepared** - ensure your student charges their Chromebook every night, has a pencil and school supplies
- **be aware** - talk about how words, actions and behaviors impact others both when intended and when they are not
- **be helpful** - clean up, pick up, help out
- **be a student** - participate in class, completing classroom tasks and assignments on time
- **be kind** - words and actions matter

We appreciate your support and look forward to a fun spring.

Julia Skillern - Dean

Mental Health Update

April is Autism Awareness Month, a time to celebrate and appreciate the unique strengths and perspectives of individuals with autism.

Let's move beyond awareness and strive for true acceptance, fostering a school community where everyone feels valued and understood. Embracing neurodiversity means recognizing that differences are not deficits, but rather valuable contributions to the rich tapestry of our school. By deepening our understanding of autism, we can create a more inclusive and supportive environment where every student can thrive.

Let's commit to promoting kindness, empathy, and respect, not just in April, but every day!

Yearbook Wait List

Have your student check the list on the glass display case next to the cafeteria to make sure they've bought a yearbook.

If a yearbook has not been purchased, students can bring \$40 cash to the Financial Office to get on the waitlist for any surplus books.

We only receive a limited number of surplus books, so we cannot guarantee that every student on the waitlist will receive a book. **Books will be given out in the order of when students are added to the waitlist** (payment must be received to be added to the waitlist). If we run out of yearbooks, students still on the waitlist will be refunded their \$40.

TRANSPORTATION & CONSTRUCTION | **GIRL**

FIVE DAYS CAN

CHANGE A LIFE

The HOYA Foundation started Career Week for GIRLS™ to encourage more young women to pursue careers in transportation and construction. Why? Because only 11% of the construction work force is women. That fact carries economic implications and substantial opportunities.

Over one week, girls – ranging from 13 to 23 years old – make five stops to engage with women, ask questions and tour work sites. Each company puts together a day long insight into their company and into the industry. This program is free to those girls selected.

2025 dates are set!

7th Grade Science

The Healthy Decision-Making unit will be taught this spring during the month of May in 7th grade science classes. This unit is the continuation of the 5th grade 'Growing and Changing' unit.

The unit question is, "How do I make informed choices about my body and relationships through a decision-making model?"

- Students will further develop their knowledge of sexual health, ATOD (alcohol, tobacco, and other drugs), healthy relationships, and confidence in using a decision-making model.
- Students will compare and contrast healthy and unhealthy relationships, they will analyze the internal and external factors that influence sexual decision-making, and they will know how to prevent sexually transmitted infections (STIs/STD's) including human immunodeficiency virus (HIV) and acquired immune deficiency syndrome (AIDS).
- Students will analyze the consequences of using alcohol, tobacco, and other drugs.

As a result of this unit, students will be able to effectively use a decision-making model to make informed choices about their health. A parent letter will be posted on Mrs. Saueracker's and Mrs. Mattivi's Google Classroom as the start of the unit approaches.

Battle of the Books

On April 15th, nine teams will battle with their minds on the six books in Battle of the Books. The competition will commence at 2:45 during Base Camp and will last approximately one hour. The winning team from Deer Creek will go on to compete against other Jeffco Middle Schools on May 12th in the boardroom at the Jeffco Public Schools Ed Center. Good luck to all!

We are hoping to provide a \$10 gift card to Tattered Cover for each school winner and \$20 gift card to Tattered Cover for each district winner. If you're interested in donating towards our prizes, please contact Mrs. Zanetti at karrie.zanetti@jeffco.k12.co.us

Technology at Deer Creek

Chromebook Check Ups:

In preparation for CMAS, all student Chromebooks are being reviewed for physical damage and device functionality.

In the event your student's Chromebook needs a repair, the device will be shipped to the Jeffco Repair Team. Your student will be issued a different TechforEd device.

[Click here](#) for information about the TechforEd program at Jeffco Public Schools.

8th grade Chromebooks:

If your student is attending a Jeffco High School, your student will be issued a new Jeffco Chromebook through the high school. Your student's incoming high school will provide information on their Chromebook deployment process. **Please reach out to your student's incoming high school with questions.**

continued...

Technology at Deer Creek

Your student will keep their current Chromebook over the summer. They will turn in their current Chromebook (and charger) at the time they receive their new school device. For more information regarding the high school Chromebook program, please visit tinyurl.com/TechforEd.

If your student is **not** attending a Jeffco High School, please fill out [this form](#).

6th and 7th grade students not returning to a Jeffco School:

If your student is leaving Deer Creek but attending another Jeffco middle school, your student should keep their Chromebook over the summer to be used in the fall.

If you know your student is leaving Deer Creek and attending a Jeffco Charter school or school in another district, please fill out [this form](#). Their Chromebook is the property of Jeffco Public Schools and will need to be returned.

Mountaineers Go To Belize

Over spring break, 13 Mountaineers, 2 Parents, and 3 DCMS teachers traveled through the country of Belize.

We had a great time learning about Belize's diverse culture and their practices of conservation throughout the country. Students got to zipline through the jungle and help track and collect data for turtles, fish and bats. They also got to visit Mayan ruins and visit a village where they learned to make homemade tortillas and learned how to basket weave.

DCMS also planted trees at local riverbanks to help with reforestation, visited a sustainable farm and tried local fresh fruits, took traditional creole drumming classes, snorkeled along the largest barrier reef in the western hemisphere and helped monitor the manatee population. We were able to pack in a lot in just one week! Check out our journey on Instagram @dcinbelize2025.

School Pool

Deer Creek partners with the SchoolPool carpooling service to help connect families, with interest in carpooling, to each other. **Registration for the 25-26 school year is now open.**

Signing up for Schoolpool is free, easy, and secure! There is no cost to participate. Your information will only be shared with families from our school. To maintain the highest level of privacy and security, Deer Creek Middle School's registration link is unique to families attending our school.

How do I participate? It's simple!

1. Go to [this registration link](#) and create an account and enter your address or intersection.
 - Pro-tip: Use a computer. While it works on a smartphone and tablet, there is more functionality on a computer.
2. Add comments to indicate interest, such as "can provide morning rides in exchange for afternoon rides," "student is in after-school activities," or "looking for a walk buddy in the mornings."
3. Find and contact interested families.

Tips from carpooling experts to help you be successful:

- Get acquainted—contact the parents on your list and arrange a get-together prior to your first day carpooling.
- Exchange important information and emergency contacts.
- Decide on a schedule: How many days a week will you travel to/from school together? Who's driving on which days? What if a parent needs to switch a day?
- Plan ahead and be on time.
- Establish a back-up plan.
- Set ground rules.
- Have fun

The more families that register, the more likely you are to find good matches. Even if your family doesn't need a ride, consider signing up to drive other students. Your participation builds a stronger community for Deer Creek Middle School.

Looking Ahead: Deer Creek PTO in 2025-2026

As we head into the final weeks of the school year, we must look ahead to who will support students and teachers through PTO in the future. The PTO at Deer Creek supports teachers in the classroom, raises funds for educational materials and experiences, fosters school and family engagement, and provides a neutral platform for discussing issues that impact our children.

Some key volunteers have students who are moving on to high school which creates opportunities for new people to join and make an impact. Below is a listing of the team for next year with current open opportunities. You can visit the [2025-2026 DCMS PTO ROLES AND RESPONSIBILITIES](#) for more detailed descriptions. Feel free to email deercreekpto1@gmail.com if you would like to know more!

- **President - open position, incoming 7th or 8th grade parent**
- **Vice President** - Heather Burgbacher
- **Co-Treasurer - open position, incoming 6th or 7th grade parent to work alongside current Treasurer Lisa Perkins**
- **Secretary** - Mandy Grosh
- **POP Fundraiser Coordinators** - Barb Meyer and Janet Webster
- **Spirit Night & Ongoing Fundraiser Coordinator** - Jennifer Mays-Krimmer
- **Penny Wars Coordinator** - Angie Walcher
- **Teacher Appreciation Coordinators**
 - Holiday & Teacher Appreciation Week (2 people) -- Lacey Alesch & Barb Meyer
 - **Conference Meals & Snack Shack (2 people) -- 1 open position for 6th, 7th, or 8th grade parent to work alongside Angie Walcher**
- **Social Coordinators**
 - **6th Grade (2 people) -- 1 open position for incoming 6th grade parent to work alongside Angie Walcher**

Breakfast at Jeffco

WHY STUDENTS SHOULD EAT BREAKFAST AT SCHOOL?

No Cost to Students

Jeffco students can have a breakfast at no cost! A free breakfast could look like:

- Breakfast Sandwich
- Apple
- Orange Juice
- Milk

Better Academics

Research suggests that eating breakfast every day has a significant effect on the cognitive development of students. Consuming breakfast at school, provides a greater variety of food groups and adequate energy, which is positively related to school performance.

Support Jeffco

Students eating breakfast at school provides economical growth to Jeffco communities and local farmers/industries.
