

Community Vision Meeting
April 3, 2025
Campbell County High School Commons
5:00 p.m.

The meeting began at 5:15 p.m. with a welcome from Principal Chad Bourgeois who introduced Associate Superintendent for Instructional Support David Bartlett.

Mr. Bartlett explained the vision meeting is one of a few meetings open to the community where stakeholders can provide input on what they'd like the design of the new Campbell County High School to include. He then introduced the design team, Plan One/DLR.

The team introduced its members and summarized the design process and construction timeline. The group asked community members about what makes Gillette and specifically CCHS unique. The public was then able to review what other community members answered, which included a small-town feel, the CCHS camel and tradition.

Mr. Bartlett and Mr. Bourgeois thanked everyone for their time and Mr. Bartlett noted that future updates about CCHS will be posted on the Campbell County School District website.

Board members present: Tim Albin, Mary Brunner, Mark Christensen, Tim Hallinan, Larry Steiger and Rollo Williams.

The meeting concluded at 6:44 p.m.
