A NOTE FROM OUR PRINCIPAL

Exciting Developments at ECS!

Dear Falcon Families,

We're thrilled to share that our teachers had a highly productive Professional Development day on March 21st! They delved deeper into the competency-based model of education, sparking renewed excitement for the future of learning at ECS.

Mark your calendars: the CAASPP testing window for Zane students begins April 29th. Please have conversations with your children about the importance of these assessments, and ensure they get plenty of rest and are prepared to showcase their knowledge.
