Sunday	4/13	<p>Off – take something or someone for a walk.</p>

Vets: Hard to believe but in one month's time we will be preparing for the section True Team meet which is incredible considering we have not had an outdoor meet yet. The meets will come at you fast. We have a bunch of them now over the next few weeks. We will be moving you around in these next three weeks to see where you can have the most success. The weather looks nice but always unpredictable so be flexible with the season meet schedule. Good news is we should be able to get some meets in these next couple of weeks compared to some years when we still received 20 inches of snow this coming week.

Rookies: It is time to start competing with a Wayzata uniform on outdoors! Pay attention to the meet schedule. It can be confusing at times which meet you are going to. If you are confused, you need to reach out to an event coach for clarification. We schedule many different meets for different grade levels to make sure everyone gets an appropriate competition for them. Have fun with the competition. You are on a large team but there is only one of you and you can use everyone of these to make progress. The hardest part is toeing the line (or jump board, or throws ring, etc...) and taking the risk. These (game) experiences will come in handy for many years.

Parents:

Come to meets and watch. They are not long at all and many of them are here at WHS. Remember, we do not charge admission for our home meets. We do not charge with the expectation you are joining in the Wayzata boosters on behalf of boy's track and field. A minimum membership is considerably less than if we had to charge for our home meets. <https://www.wayzataboosters.org/> The link can be found at Thank you for supporting your son and Wayzata Track & Field!

Reminders for ALL:

- BE CAREFUL OUTSIDE. Cars are not used to athletes using the sidewalks. Make sure you cross the street in the sidewalks. Even if you have a green light at an intersection, make eye contact with the drivers coming your way. In a battle between car and human, the car usually wins no matter what color the crossing light is. Be care full walking to the stadium, the ~~racetrack~~ road past the stadium can be tricky sometimes.
- All compressions arrived this week. It will be in the coach's locker room starting on Tuesday then all this week. I will try and bring it out to practice too.
- Watch the weather and announcements, the weather towards the end of the week is not great. We may have to delay our first outdoor meets to next week. Good news is we have two really good meets next week.

Next Week:

- We have two meets next week. Everyone on the team will be in both of them competing in different events in each one.(Some distance runners will only be in one) Everyone will compete in the varsity/JV dual against Blaine on Tuesday and again ALL against Rosemount on Friday at WHS. Tuesday's meet start at 4:00 pm and Friday's starts at 4:00 pm

Competing is like mouthwash; if you can feel the burn, it's working.

Brian Tackett

LAKE CONFERENCE RELAYS - 2025

Order of Events and Time Schedule:

2:30 Field Event Warm-ups begin

Athletes must report to the Clerk 15 minutes before their scheduled event.

3:00 – 5:00	Discus girls	5:30 – 7:30	Girls Shot Put

Field Event Procedures:

Long Jump/Triple Jump

Jumps will be “cafeteria style” (open pit) for the allotted time for each gender. All competitors will receive (4) jumps; no finals. The competitions will end at the prescribed times and there will be one half hour of warm-up during the cross over.

Shot Put/Discus

Both events will be conducted in three flights with one thrower from each school in each flight. The best thrower from each school shall compete in the third flight. Flights will last approx. 30 minutes each. All competitors will receive (4) throws. No finals.

High Jump

Girls will start at 4’ and progressions will be 4’ 4”, 4’ 6” and 2” thereafter.

Boys will start at 5’ and progressions will be 5’ 4”, 5’ 6” and 2” thereafter.

With six jumpers left in competition, the bar will be raised in 1” increments until the final jumper.

The method of “five alive” is recommended.

Pole Vault

Girls will start at 6’ and progressions will be 7’, 7’ 6”, 8’ and 6” thereafter.

Boys will start at 8’ and progressions will be 9’, 9’ 6”, 10’ and 6” thereafter.

With six jumpers left in competition, the bar will be raised in 3” increments until the final jumper.

The method of “five alive” is recommended.
