

# *New Perspectives* in Education *Summer Clinic* 2025

## *New Perspectives Summer Reading Clinics* Featuring Orton Gillingham Reading Instruction

Participants will engage in 90 minutes of daily structured literacy training based on principles of the Science of Reading. Our clinic is run by school psychologists and Orton Gillingham trained reading specialists with very low student to staff ratios. This is an opportunity for high-dose evidence-based instruction within a concentrated time period. Participants can register for one or both sessions. Our reading clinics were carefully planned to take place at key times during the summer to help students build and maintain skills, reducing "summer slide" before returning to school in the Fall.

**Eligible Participants:** Rising 2nd-5th graders

**Dates:**

Clinic 1 June 16th-20th, 9:30-11am

Clinic 2 July 28th-August 1st, 9:30-11am

**Location:**

New Perspectives in Education

11247 Deerfield Rd in Blue Ash

behind the Soccer Village retail store

**Cost:** \$750 per clinic

## *New Perspectives Summer Executive Functioning Clinic*

Participants will engage in 90 minutes of daily instruction and activities including training in executive functioning skills, emotional regulation skills, soft social skills, and sensory movement. Our clinic is run by a school psychologist and an occupational therapist with very low student to staff ratios. This clinic was carefully designed to alternate between focused instruction periods and structured movement to help maintain participants' engagement. This clinic is perfectly timed to help students learn and practice planning and organization skills to prepare for the transition back to school!

**Eligible Participants:** Rising 3rd-5th graders

**Dates:**

August 4th-7th, 9:30-11am

**Location:**

New Perspectives in Education

11247 Deerfield Rd in Blue Ash

behind the Soccer Village retail store

**Cost:** \$495 per clinic

## *New Perspectives Summer 1:1 Reading Instruction*

Contact us to schedule 1:1 Reading Instruction for Elementary, Intermediate, or Secondary students using Orton Gillingham and direct instruction approaches to improve phonological awareness, phonics, fluency, vocabulary, and comprehension skills.
