

CIRCLE OF MERCY MOMENTS

MOTHER OF MERCY | MERCY MCAULEY | MCAULEY

Dear Alumnae,

The flowers in my garden are blooming for another spring, despite my extreme lack of a green thumb, and I'm reminded of the promise of renewal and transformation of the Easter season. It is those persistent daffodils with their vibrant return that so often inspire springtime reflection. That determination, continuation, and resilience calls to our story here at Mercy McAuley. Students and alumnae throughout the decades have risen to the challenge of their studies, activities, and post-graduate work. What an inspiration it is to see alumnae thrive and excel throughout the years!

As those daffodils inspire us year after year, I hope your Easter season is filled with renewed energy, joy for another spring, and determination for all that comes our way!

In Mercy,

M Korn

ALUMNAE NEWS

THANK YOU!
\$93,542!

#MMHS **BIG** DayofGiving
3.17.25

What an incredible [#BIGDayofGiving](#)! Thanks to the generosity of Mercy McAuley alumnae and friends, \$93,542 was raised to support tuition assistance, campus improvements, and the best possible experience for our students. A special thank you to our matching gift donors, whose generosity allowed gifts to be doubled, making an even greater impact.

We are so grateful to every donor who made this day one to remember! Thank you!

ALUMNAE AMBASSADORS NEEDED!

There's still time to be an an ambassador to help spread the word about the upcoming Girls' Schools Unite campaign on social media! Girls' Schools Unite is an annual competition amongst six local all-girls Catholic schools to raise awareness and financial support for all-girls Catholic education in Greater Cincinnati.

This annual campaign will occur May 5-7, 2025 and the challenge is simple- the school with the highest percentage of alumnae participation wins! Ambassadors are asked to help spread the word through social media during this 3-day campaign. If you are interested in being an Alumnae Ambassador for the campaign, please share your interest in the form below.
