- ★ 2025 Millersville University, *Supervisory Certification K-12 Curriculum & Instruction*

Reason for Serving & Educational Philosophy

My experience as an educator has allowed me to develop a passion and understanding for providing high quality instructional opportunities for all students. As an elected member of the board, I seek to serve with fiscal responsibility while providing meaningful investments in staff, curriculum, facilities, and student activities that further the mission of the district and community.

As a mom of 2 boys at Doe Run and the MS, an active member in the community and district, I am proud to continue my service as a board member to build relationships and maintain growth of the Manheim community.

School Board Committee Membership

- Academic Committee Chair, *2023- current*
- Lancaster Lebanon IU13 Chairperson, *2021- 2022*
