

April 1, 2025

Dear Conrad Families,

As the vibrant energy of spring fills our campus, we continue to embrace the excitement and growth that this season brings. Our students and staff remain dedicated to academic excellence and community engagement, fostering an environment where everyone can thrive.

As we move forward, we are proud to continue embracing **The Conrad Way**—our commitment to excellence, inclusivity, resilience, and community spirit. These guiding principles shape everything we do, from our academic achievements to our celebrated traditions.

This time of year, is filled with important milestones and enriching experiences. In May, we are actively engaging in **Smarter Balance testing** and **College Board AP testing**, providing our students with the opportunity to showcase their learning and growth. These assessments serve as valuable indicators of their progress and preparation for future success.

Beyond academics, we are excited to celebrate our students through a variety of activities, traditions, and performances. Highlights of our spring calendar include:

- **Prom:** A memorable evening for our high school students to enjoy and celebrate together.
- **8th Grade Formal:** Marking a significant transition as our middle school students prepare for their high school journey.
- **Decision Day:** Celebrating our seniors' post-secondary decisions, whether it be college, career, or service.
- **Conrad Appreciates Culture:** Honoring and showcasing the rich diversity within our community through cultural celebrations and learning experiences.
- **Spring Band and Choral Concerts:** Showcasing the incredible talent and dedication of our student musicians and vocalists through captivating performances.
- **Graduation Day for the Class of 2025:** Celebrating the achievements and bright futures of our graduating seniors as they embark on their next chapter.

We are incredibly proud of the dedication and enthusiasm our students show every day. As we move through this busy season, let's continue to support and uplift one another. Together, we are building a strong, inclusive community where everyone can reach their highest potential.

Thank you for your continued support and partnership. Let's keep embracing **The Conrad Way!**

With gratitude,

Kendra Todd-Dixon
Principal
