Subject: Important Notice: CanStruction 2025 Support Our Middle School Student Council

Dear South Adams Community,

We are excited to announce CanStruction 2025, a community-driven event that will take place on April 25th! Our Middle School Student Council is participating in this incredible initiative alongside five other schools which is sponsored by Community Harvest Food Bank to support South Adams Community and fight hunger in our area.

How You Can Help:

We are collecting cash donations through April 11th to purchase canned goods. Every dollar raised will be converted directly into cans, which will be used for our CanStruction build at Glenbrook Mall on April 25th and then donated to the Community Harvest Food Bank. After the event concludes on Sunday, May 4th, these cans will be redistributed back into our local community to support families in need.

Our Goal:

This year, we are ambitiously working to construct our theme of "Three Little Pig" houses using over 3,500 cans! **To make this a reality, we need to raise \$2,500 to purchase these cans from local grocery stores within Adams County.**

How to Donate:

- Donations are being accepted in cash or check and can be placed in designated jars in the office.
- Businesses may sponsor and write a check made out to PLTW-Canstruction Fund.
- Email klefever@southadams.k12.in.us for any questions or details.
- Every contribution helps us reach our goal and make a lasting impact on our community!

Let's work together to build something amazing—both in structure and in community spirit. Thank you for your generosity and support!

Best,

Kim LeFever
