

Parent and Family Engagement Policy 2024-2025

Parent & Family Engagement (PFE) Program

What is it?	<p>McReavy Elementary is dedicated to providing a quality education for every student in our school. In support of the district's mission to enable today's students to thrive and compete in the "twenty-first-century workplace," McReavy Elementary will develop and nurture partnerships with parents/caregivers, students, and community stakeholders. We strive to provide high-quality education individualized for each student by developing and maintaining relationships with families and the community. We continue to do this by participating in the Title I, Part A State Program. This program provides funding for low socioeconomic schools. In return, school districts promise to meet the expectations laid out by the Texas Education Agency and the United States Department of Education.</p>
