## A Weekly Newsletter for the Diman Community

Diman Students and Families,

We are now in the final stretch! Students that need additional assistance need to take advantage of academic support. Guidance counselors will meet with students that are in danger of not meeting graduation requirements. Do your best to finish strong!

### 🎓 Kiss the Seniors Goodbye! 🎓

Diman DECA invites parents, students, and staff to join in celebrating our graduating seniors!

For just a small gesture, you can make a senior's day extra special. Purchase a small bag of Hershey's chocolates and include a heartfelt personal message to show your appreciation or wish them well.

These sweet treats and messages will be distributed to seniors on the morning of Prom, creating a memorable moment during their special day.

 Order Period: April 7 – April 17, 2025

 How to Order:

Online: Visit the Diman Store at [www.dimanstore.org](http://www.dimanstore.org). Navigate to the Miscellaneous tab then under Senior Dues.

## **Dental Assisting**

On April 7, 2025 and on May 8, 2025 the dental assisting shop is holding a "polish" program. A public health dental hygienist will be offering FREE dental cleanings and sealants to Diman Students during the school day. The cleanings and sealants will take place in the dental shop. The student will need to obtain a health history form from the dental shop, return the form and set up an appointment.

April 8 at 6:00 pm - 7:30 pm - Accepted Student Night is an exciting and memorable event held to celebrate the incoming freshmen who have been accepted into Diman Regional High School. This special night is all about welcoming our newest students and their families into the Diman community. It's a chance for them to connect with faculty, staff, and current students, get a feel for the school's vibrant atmosphere, and learn more about what makes Diman unique.

Diman's 14th Annual Job Fair is fast approaching! On April 10, 2025, from 9:00 a.m. to 2:00 p.m., 90 organizations will connect with over 650 juniors and seniors to explore career opportunities, internships, and Co-op placements. Students will engage with at least 10 employers during their session, using a stamp booklet to track interactions. This is a fantastic chance to network, gain insights, and take the next step toward future careers.

Students should bring multiple copies of their resumes, a positive attitude, and curiosity. Employers will offer valuable insights, so come prepared with questions. We encourage all participating organizations to stay for the full event to ensure every student benefits. Thank you for your support in making this event a success!
