## **Roseville High School's Historic Campus Gets State-of-the-Art Upgrades for Next Century**

**Roseville, CA** – The Roseville Joint Union High School District invites the community and media to a special groundbreaking ceremony for Roseville High School's modernization project on **Wednesday, April 9, at 8:30 AM** at **1 Tiger Way, Roseville, CA**. The event will feature student speeches, appearances by the RHS band and cheerleaders, and perspectives from athletes on how these upgrades will enhance their experience.

The \$40 million project, funded by developer fees with partial state reimbursement, includes:

- **Six new on-campus tennis courts**, aligning RHS with other comprehensive high schools
- **A state-of-the-art competition pool**, matching the quality of recent buildings at West Park and Granite Bay High Schools
- **A modern two-story classroom building**, replacing outdated portables to improve learning environments
- **Full campus enclosure** for enhanced safety

This modernization completes major campus needs, following recent upgrades like the stadium support building and auxiliary gym. Designs honor RHS's 100+ years of tradition while modernizing facilities for future generations!

Media interested in covering the event or scheduling interviews should contact **Tony Phan**, Chief Officer of Strategic Communication and Engagement, at **916-406-5646** or [tphan@rjuhsd.us](mailto:tphan@rjuhsd.us).
