2. Student Transportation Services Contract

Contact(s): Fabián Armendáriz, Lisa Riveros, Addi Lowell, Dan Lawrence, Jonathan Wyss

Funding Source: Multiple (Supplemental General, Special Education, Title, Athletics, Activity Funds, PTO/PTA, McKinney-Vento, other funds sources as warranted), 2025-26 Budget

Purpose: After soliciting the market through an extensive RFP process, it is recommended the District extend the Agreement with First Student for the next five school years to provide various required and requested student transportation services (e.g., regular education, required special education, ADA-504, McKinney-Vento, athletics, fine arts, various shuttle services, charter and activity bus services, etc.) at the annual increases of 27.5% year 1 (2025-26), 6% year 2 (2026-27), and 3% years 3-5 (2027-30), totaling an amount not to exceed \$43 million in year 1.

For required regular education and special education home-to-school transportation, this estimated amount is governed by the volume of services needed to transport students to-and-from schools, and approved activity trips. Approximately 80% of special education transportation (IEP approved) audited expenditures are reimbursed to the District by the State of Kansas during the school year. The current five-year agreement with First Student was negotiated pre-COVID and is reflective of pricing during that time. This recommendation and rate increase for school years 2025-26 through 2029-30 are based upon projected service quantities, a 171 school-day calendar, and are on par with daily rates for other comparable districts post-pandemic.

Recommendation: This item was presented at the April 4, 2025 Board Workshop. It is recommended that the Board approve the contract extension with First Student for student transportation services.

WHEREAS, pursuant to the Interlocal Cooperation Act, this Agreement shall be submitted, pursuant to K.S.A. 12-2904, to the Attorney General of the State of Kansas for determination whether the Agreement is in proper form and compatible with the laws of the State of Kansas.

NOW, THEREFORE, IN CONSIDERATION OF THE MUTUAL COVENANTS CONTAINED HEREIN THE PARTIES AGREE AS FOLLOW:

Section 1. The parties each have adopted or agree to adopt a neighborhood revitalization plan pursuant to K.S.A. 12-17,117 (collectively, the “Plan”) in substantially the same form and content as Exhibit A, attached hereto and incorporated by reference as if fully set forth herein. Five percent (5%) of the increment, as defined in K.S.A. 12-17,115(e), shall be collected by the County and utilized to pay for administrative costs in implementing, as described in the Plan. No party hereto will acquire, hold or dispose of real or personal property in connection with the Plan.

Section 3. This Agreement and the Plan shall expire December 31, 2029. The parties agree to undertake review of the Plan commencing on August 1, 2029 to determine the advisability of continuation of the Plan and this Agreement. Any party may terminate their participation in this Agreement by providing ninety (90) days' notice in writing to the other parties. Any application for tax rebate submitted prior to the effective date of any expiration or termination, whether of the entire Agreement or Plan or a party's participation therein, shall, if approved, be considered eligible for the duration of the rebate period. In no event shall the termination or expiration of this Agreement or the Plan affect or terminate any rebates approved pursuant to the Plan prior to such termination or expiration. No party hereto shall be required to dispose of any property as a result of termination or expiration of this Agreement.

Section 4. If any provision of this Agreement shall be held to be inoperative or unenforceable as applied in any particular case or to any particular participating public agency, or in all cases because it conflicts with any other provision or any other constitution or statute, or for any other such reason, such circumstances shall not render the provision in question inoperative or unenforceable in any other case or circumstance or render any other provision invalid or inoperative or unenforceable to any extent. The effect and meaning of this Agreement, the plan and the rights of all public agencies shall be governed by and construed according to the laws of the State of Kansas.

Interlocal Cooperation Agreement Approved by Attorney General - _____, 20__

CITY OF KECHI, KANSAS NEIGHBORHOOD REVITALIZATION PLAN

PURPOSE

This City of Kechi, Kansas Neighborhood Revitalization Plan (“NRP”) (the “Plan”) shall take effect on January 9, 2025 and is intended to promote **the revitalization and development of certain targeted areas** within the City of Kechi, Kansas (the “City”) in order to protect the public health, safety, and welfare of the residents of the City. More specifically, through the Plan, the City, Board of County Commissioners, Sedgwick County, Kansas (the “County” or the “Board”), Unified School District No. 259, of Sedgwick County, Kansas (“U.S.D. 259”) and USD 262, Valley Center Unified School District (“U.S.D. 262”), to the extent the same participate and adopt the Plan, offer property tax rebates for certain improvements or renovation of property within the designated areas in accordance with the provisions of K.S.A. 12-17,114 *et seq.* (the “Act”). Subject to the terms and conditions of the Act and this Plan, the owner of property and improvements participating in the Plan may receive a rebate of a portion of the incremental increase in real property taxes resulting from any increased appraised property valuation from the approved improvements.

NEIGHBORHOOD REVITALIZATION DISTRICT

The City’s Neighborhood Revitalization District (the “District”) is as set forth as of the date of this Plan in the following Exhibits incorporated and attached hereto:

1. Exhibit A, District Map;
2. Exhibit B, District Legal Descriptions;
3. Exhibit C, Assessed Valuation of Real Property;
4. Exhibit D, Property Owners of Record;
5. Exhibit E, Zoning Classification and Land Use Map; and
6. Exhibit F, Form of Application.

CRITERIA FOR DETERMINATION OF ELIGIBILITY

- I. Subject to the requirements of this Plan, all real property improvements (including rehabilitations¹, alterations and additions to any existing structures and construction of new structures) within the corporate limits of the City at the time of application and within the District are eligible for participation in the Plan. Public utility, railroad, and personal property are ineligible for participation in the Plan.

¹ Projects that are more likely to increase a structure’s appraised value include additions and major renovations, etc.

- II. Subject to the requirements of this Plan, improvements to “dilapidated structures”, as defined in the Act which are outside of the District, are eligible for participation in the Plan upon approval by the City Council. “Dilapidated structures” include any building which is at least 25 years old and “which is in deteriorating condition by reason of obsolescence, inadequate provision of ventilation, light, air or structural integrity or is otherwise in a condition detrimental to the health, safety or welfare of its inhabitants”, or “which is in deteriorating condition and because of age, architecture, history or significance is worthy of preservation.”
- III. City Staff will use the following criteria to determine eligibility for participation in the Plan and property tax rebates:
 - A. Construction of improvements must begin on or after the application date. No applications will be accepted for completed or under-construction improvements.
 - B. Improvements must have a value of at least 15% of existing property value or \$15,000, whichever is greater, based upon building permit value.
 - C. Upon completion, all existing and new existing improvements on the subject property must conform to all City codes and regulations in effect at the time the improvements are made. Building permits must be approved before commencement of construction. Only one building permit will be required for each application.
 - D. City staff shall have the authority and discretion to approve or reject applications based on the eligibility standards and review criteria contained herein and in the Act. If any applicant is dissatisfied with City staff’s decision, a written appeal may be submitted to the City Council for final determination.
 - E. A property may only participate in one tax incentive program at a time. For example, improvements constructed in a tax increment finance district or with the proceeds of industrial revenue bonds are not eligible for participation in the Plan.

APPLICATION PROCEDURE

Prior to filing an application for a tax rebate, the following steps must be taken:

- A. **Application Form(s):** The application form is included as Exhibit F to this Plan.
- B. **COMPLETE PART I: Prior to the commencement of construction** on any improvement or new construction, the property owner must complete and submit to the City Administrator Part I of the application, together with a non-refundable \$25.00 application fee payable to the City.

- C. **Preliminary Approval and County Inspection:** The City will forward the application to the County after certifying the application, property, and proposed improvements meet the requirements of this Plan and the Act. The County Appraiser's office will return a copy of Part I to the City and the applicant within fifteen (15) working days indicating approval or denial of participation in the Plan, along with the current appraised value of the property and existing improvements (the "Current Appraised Value").
- D. **Notice of Approval and Procedure Construction:** The City Administrator, or his or her designated representative will file the County approval of Part I with the associated building permit, and withhold permit approval until such County approval is secured. The County Appraiser will forward a copy of the application to the County Clerk for monitoring purposes. Upon the City's approval and the County Appraiser's approval and return of a copy of Part I, the City will return a copy of Part I to the applicant indicating approval or denial of participation in the Plan and the Current Appraised Value. **Note: Commencing construction prior to receiving this notice from the City will cause the property and improvements to be ruled ineligible for participation.**
- E. The owner will have a **maximum of one year to complete the improvements.** Applicants are not allowed to phase-in improvements and a property may only have one active rebate at a time. The City may, upon written application from property owner, approve an extension of six months for completion of construction.
- F. **COMPLETE PART II: Immediately upon completion of the improvements,** but no later than November 1 of the year in which the improvements are completed, the property owner shall file Part II of the application with the City. Upon receipt of Part II and no later than December 1, the City will conduct an on-site inspection of the construction project (improvement, rehabilitation or new) to confirm completion, confirm compliance with all applicable building codes and regulations, and issue any occupancy permits. The City may deny the property and improvements participation in the Plan for any violation of applicable building codes or regulations or failure to qualify for an occupancy permit.
- G. **New Valuation:** After confirmation of completion by the City, the completed application will be forwarded to the County, certifying the property and improvements are in compliance with the eligibility requirements for the Plan. In accordance with its procedures, the County Appraiser will report the new valuation to the County Clerk by June 15.

FURTHER TERMS AND CONDITIONS

- A. Additional increases in valuation to the property shall not be considered in the rebate calculation after the original improvement value is established by the

County Appraiser. Construction must be on one parcel at one time. Parcels are determined by CAMA Number.

- B. All current and future rebates will be immediately forfeited with respect to any property for which payment to the County of any real estate tax, including special assessments, becomes delinquent. However, such rebates may be reinstated once during the property's participation in the Plan at the City's sole discretion; provided further, in the event the property is delinquent on the second half payment of taxes, the property will forfeit that year's taxes, but may, in the City's sole discretion, be reinstated for future payments. No property will be granted consideration for reinstatement if the property was previously allowed back into this Plan after being delinquent on taxes or assessments.
- C. If the property, that has been approved for a tax rebate, is sold, the rebate remains in effect and will transfer to the new property owner. Only owners are eligible for tax rebates.
- D. Upon timely payment in full of all real estate tax and special assessments for the property, a rebate of the taxes related to the valuation improvement (less a 5% administrative fee) will be made to the property owner within 30 days of the tax distribution date. The County will issue the rebate checks to the individual taxpayers.
- E. Participating Plan property owners that disagree with their property's valuation may protest the property's value by hearing after valuation notices are sent each Spring. Payments made "under protest" will not be accepted after a participating property's taxes have been calculated. No rebate will be provided for any property with open valuation and/or classification appeals until all disputes have been fully litigated.

One dollar spent is not necessarily equal to one dollar of increased value. Any questions regarding said values should be addressed to the Sedgwick County Appraiser's Office.

I acknowledge this program is not official until the State Attorney General approves the applicable Interlocal Cooperation Agreement. In the unlikely event the Interlocal Cooperation Agreement is not approved, my \$25.00 NRP application fee will be refunded.
