SPARTAN SUMMER VIBES

Welcome to the Summer ROCORI Community!

We appreciate you taking the time to explore our offerings for Summer 2025. Our team has introduced several new programs to this season's schedule. Be sure to check out our exciting new STEM Programs, Adaptive Touch-A-Truck Events, art classes, and our trip to the Minnesota State Fair.

Please note that this summer will present some changes at the ROCORI Secondary building due to a significant HVAC improvement project. Certain areas typically utilized by ROCORI Community Education during the summer will be inaccessible. Unfortunately, this means that the pool, FACS Room, RMS Gym, and Auditorium will not be available. As a result, some of our traditional programs, including swim lessons and select food classes, will be paused until the 2025/2026 school year. However, we will still have access to gym facilities across the district and have devised creative solutions to continue offering many of our beloved summer programs!

Thank you for your ongoing support and understanding!

CE TENNIS

All our lessons use the “ progressive Tennis” system of modified courts and balls designed for the age and/or skill level of the players. Scale appropriate learning is used by many other sports (e.g. T-Ball, Mini-soccer, etc.) Tennis is learned faster and easier through this system.

Red Level 1

Age 5-7

This program introduces the foundational skills of tennis with an oversized low-compression ball on a smaller court. Players learn basic rally, serve and net play skills along with activities that build tennis specific coordination.

Red Level 2

Age 5-7

This follow-up to Red Level 1 further refines the rally, serve, and net play skills. Players learn to compete on a Red Court with oversized low-compression balls.

Orange Level 1

Age 8-10

Orange tennis is played on a 3/4 size court with a low-compression ball. Players learn how to serve, rally, score and play at the net.

Orange Level 2

Age 8-10

This follow-up to Orange Level 1 is on a 3/4 size court with a low-compression ball. Players learn to maintain a rally when receiving more challenging shots, serve with improved placement, approach the net and place volleys.

Green Level 1

Age 11-14

Players learn to serve, rally, score and play at net singles and doubles on a regulation sized court with a low-compression transition ball. Lessons take players through a progression of skill building activities that speed up learning.

CHILDREN'S THEATRE CAMP

Grades 2-8

Step into the spotlight and bring the magic of theatre to life in this exciting play-in-a-week camp! Young performers in grades 2-8 will explore the world of Roald Dahl's *Matilda Jr.*—a tale of courage, curiosity, and a little bit of mischief.

Throughout the week, students will develop acting, singing, and dancing skills while preparing for a fully staged performance at the end of the session. The immersive experience includes auditions, rehearsals, choreography, costuming, and more. Every participant will be cast in a speaking role and have the opportunity to perform a musical number on stage.

Presented in collaboration with Great Northern Theatre Company and co-sponsored by the Central MN Arts Board, this camp is perfect for aspiring young actors looking to shine on stage

C.P.A. DANCE PRESENTS: “Frozen”

Looking to cool off this summer with a little “Frozen” movie fun? Elsa, Anna and Olaf know how to make winter magic exciting even in the summer, so can we! Let us dance through the splendor of the season by creating our own winter wonder land with art and imaginative Frozen story dancing. This camp is filled to inspire young dancers with creative dance, art crafts, short stories, and of course dances to the soundtrack of Frozen. We will hold an art exhibit and a short dance performance the last day of camp.

CPA DANCE PRESENTS: “Let It Go”

If your child enjoys singing and dancing to the music of Frozen and Frozen II, and simply can't let it go, this is the camp for them! Get ready to build your own snowman and dance with Anna, Elsa, and their friends in our own magical wonderland into the unknown. Come explore the dance styles of classical ballet, lyrical and theater dance as we choreograph short dance pieces from the Frozen and Frozen II soundtracks. Not only will we dance, we will create works of art, learn about water molecules, crystals, and how snowflakes are formed. An art exhibit and short dance performance will be held the last day of camp.

C.P.A. SUMMER BALLET TECHNIQUE

Whether you are a dance team member or just desires to study ballet for the foundational skills to apply to other dance styles, it all begins at the ballet barre where the foundation of technical movement is set. This class is rooted in the Vaganova barre technique where students will grow in placement awareness, strength, flexibility, fluidity in movement, and muscular control. We will focus our center study on balance, turns, spotting, and leap skills. The study of ballet helps with step transitions, improves body alignment, and teaches control of turns and jumps. Most importantly it teaches you how to avoid injury due to bad body placement. Ballet is a classical art where repetition is the key to maintain and improve one's skills.

Early Childhood Screening

In Minnesota, all children are required to complete Early Childhood Screening before entering kindergarten. Screening is FREE! As soon as your child turns 3 years of age, they are ready for screening. An assessment of your child's vision, hearing, height, weight, immunization records, & overall development will complete the screening process. Screening is held at the ROCORI DEF building, 527 Main St., Cold Spring, & is completed by trained preschool teachers. Please schedule a screening appointment by calling ROCORI Community Ed. at 685-8631, or by registering online at rocori.ec.eleyo.com and look for early childhood screening appointments.

The **Skills Enhancement** program is for adults who need to improve their basic reading, writing, math and spelling skills. Individualized instruction is offered to develop a wide range of skills from balancing a checkbook to using a computer. The books and materials used have been written specifically for adult learners.

All Adult Basic Education classes are held at the District Education Facility (DEF).

Adult ELL Classes

ELL: English Language Learner

Clases de ESL Para Adultos

ESL: Inglés Como Segundo Idioma

ELL classes are **free** for adults whose native language is not English. Classes are designed to help adults develop *English speaking, listening, reading and writing skills* according to their individual goals. Adults who participate in ELL classes feel more confident living and working in the United States and learning English can be a key to finding a living-wage job. ABE offers separate levels for ELL students to learn and build their English skills, from the novice to the advanced.

Las clases de ESL son gratuitas para adultos cuyo idioma nativo no es el inglés. Las clases están diseñadas para ayudar a los adultos a desarrollar las habilidades de inglés en hablar, escuchar, leer y escribir de acuerdo a sus metas individuales. Los adultos que participan en las clases de ESL se sienten más confiados viviendo y trabajando en los Estados Unidos y aprender inglés puede ser la clave para encontrar un empleo con un mejor salario. ABE ofrece niveles separados para que los estudiantes de ESL aprendan y desarrollen sus habilidades en inglés, de principiante a avanzado.

Family Literacy/Family School:

Family Literacy is a program that combines Early Childhood Family Education (ECFE) with Adult Basic Education (ABE) and English Language Learner (ELL). In class parents and children come to school together. Fall session is on Tuesdays from 8:30am-11:00am starting September 12th, this class is **FREE** of Charge.

Spots are limited. For more information or to enroll, contact Erin Tronbak at 320-685-8631
