GREETINGS FROM MR. GONZALES

The Spring semester is in full swing! As the flowers bloom and the temperatures warm, the anticipation of summer break begins to grow. While the summer months will provide much-needed rest and relaxation, it's important that we stay focused on our goals. Simply put, our work is not yet done!

The coming months are crucial as students prepare for the annual LEAP tests, WorkKeys assessment, Advanced Placement exams, and Industry-Based Certifications. Each of these assessments offers a powerful opportunity for students to showcase the hard work they've put in. We encourage students to stay focused and approach the final weeks with determination and the spirit of a tiger.

At HHS, we continue to value the partnership between educators, parents, and the community. Ultimately, however, it is up to the student to stay engaged and committed to achieving their goals. Internal motivation is key. According to a 2024 article from *The Parent Institute*, *internal motivation plays a significant role in academic success. The article highlights several strategies to help foster this motivation in teens:*

Set goals for mastering the material: Setting clear goals helps students take ownership of their learning and provides a sense of purpose.

Connect learning to real-world situations: Relating what students learn to real-world applications reinforces its value.

Focus on the value of learning: Praise effort and understanding, regardless of the grade, to emphasize the importance of learning over grades.

Encourage curiosity: Students should be encouraged to ask questions and explore topics beyond the assignment.

Promote self-confidence: Remind students of their abilities with positive reinforcement, like "These math problems are tough, but I know you can work them out."

As we approach the end of the third quarter, we encourage students and parents to stay in touch with teachers and administration. Together, we can celebrate achievements and address any concerns. We're here to help, but it's up to your child to take the first step. As a reminder, school will not be in session April 14-18 for Spring Break

Remember, YOU are part of the Tiger Family! We are **Fierce. Noble. Strong. Together!**

Safe Schools with Coach Boyne

Safety is our top priority here at Hahnville High School. We value the safety of our students and employees, and we will do everything possible to ensure that we protect our students, employees, and visitors. As such, we wanted to remind you of some of our safety initiatives:

- 1: Students, employees, and school visitors must wear ID badges at all times.
- 2: Students are not allowed to have or use their phones during instructional time. It is now a state law. If students are seen with their phones, they will be confiscated.
- 3: Students are not allowed to wear any garments with a hood attached to them; if seen, these garments will be confiscated from students and returned to the students at the end of the school day.

SSC Recap

During the month of March, during Tuesday's SSC students focused on their academics, looking at grades and completing any work that needed to be submitted. On Wednesdays, Students focused on our SEL lessons and completed the screener to check in where the students were emotionally. On Thursdays Students focused on there chosen SSC topic. Whether it be traveling, or reading, Students collaborate on their common interest.

“You Are Not Alone”

When faced with challenging emotions, it's easy to feel isolated or overwhelmed, as if you're carrying the weight on your own. But remember, you are never truly alone. Others have walked similar paths, and by sharing our struggles, we find strength in connection. There is a deep sense of healing in knowing that others understand, and their support can help you navigate through tough moments. Embrace the idea that it's okay to lean on others, ask for help, and share your feelings. Together, we can overcome even the hardest of times! ~Dr. Marquita Hill George~

This is an equal opportunity school and is dedicated to a policy of non-discrimination in employment or training. Qualified students, applicants or employees will not be excluded from any course or activity because of age, race, creed, color, sex, religion, national origin or qualified handicap. All students have equal rights to counseling and training.

Message from SCPPS:

Due to federal regulations, HHS is responsible for notifying you annually of the Asbestos Hazard Emergency Response Act (AHERA) management plan at your school.

Notice: In 1986 all asbestos materials were identified in all school buildings. A management plan was developed for each school as per the Asbestos Hazard Emergency Response Act (AHERA). The management plan is located in a binder in the main office of each school. The binders are available for review upon request.

Since the plan was developed, most of the asbestos has been removed. In a few buildings, some floor tile still remains that contains asbestos. All of the schools meet the health requirements that pertain to the regulation. If you have any questions concerning this topic, please contact Kevin Barney, Director of Physical Plant Maintenance at 985-331-3600 between the hours of 7:00 a.m. and 4:00 p.m.
