Dear Parent/Guardian and Graduates,

It is with great anticipation and excitement that I write to you to outline some key information as we approach the end of the final semester of the 2024/2025 school year and ultimately our graduation ceremony for the class of 2025.

## Graduation Date

Our graduation ceremony will be held on Sunday, June 8, 2025 at 12:00 p.m. in the gymnasium of Michigan City High School.

## Participation in Graduation Ceremony

A student must meet all graduation requirements before he/she will be allowed to participate in the graduation ceremonies. These requirements include:

- Passing grades in all required subjects
- All credit requirements
- Graduation Pathway completion
- FAFSA completed
- Meet attendance requirements
- Be in good standing
- Payment of all school fees and fines

Additionally, **students must participate in all four** of the scheduled commencement practices and adhere to conduct and dress code guidelines (see tentative timeline).

## Year-End Tentative Timeline

Please refer to the tentative timeline of graduation and year-end activities. Please note that senior final exams will be May 27 and May 28. A senior picnic will be held on May 29 after the final practice.

## Cap and Gown Orders

All cap and gown orders should have been placed and paid for by now. If this is not the case, please contact Kingsley, Inc. at 574-583-3420. To order you must have the graduate's height, weight and method of payment.

## Tickets

Each graduate will be issued 10 tickets which will be distributed at our final commencement practice. All guests must have a ticket to enter. No extra tickets will be available. Limited handicapped tickets will be available on a first come first served basis. Handicap seat requests are due by **Thursday, May 22** to Tonya DeMartinis, [t.demartinis@mcas.k12.in.us](mailto:t.demartinis@mcas.k12.in.us). No handicap seats will be available without a ticket the day of graduation.

We look forward to working with you during this exciting time as the class of 2025 prepares for this *once in a lifetime event*. Please contact us with questions.

Respectfully,

Dr. Mohamed Mroueh, Principal
