Connecting with District 70

District Website (d70schools.org)

D70's latest news about the district, schools, calendars, newsletters, lunch menus, business partners, employment, and teacher websites. Under the Communications Dept., locate the [Virtual Backpack](#), to find links to important and promoted community and non-profit events.

Email Updates

Emails from District 70 will be sent to the primary parent/guardian email addresses (including two household families) used when registering via PowerSchool.

ParentSquare

D70's new districtwide communication tool that can be accessed directly through email, web, and a mobile app will boost engagement and provide secure access while consolidating emails, newsletters, and updates from teachers and district officials in a single location. Register with your on-file email at www.parentsquare.com/signin

Facebook/Instagram

D70's Facebook and Instagram pages post D70 good news, student and staff accomplishments, and allows for some community engagement. Some teachers also use Instagram for classroom news.

District Newsletters

Look for the district wide electronic newsletter emailed to all families twice a month, on the second and fourth Fridays of each month when school is in session. School newsletters are shared first and third Fridays of the month. Families can choose what language they want to receive the newsletter in via ParentSquare.

D70's printed newsletter is bulk-mailed throughout the community three to four times a year.
