### Press Release

#### Tamalpais Union High School District Selects Finalist for Superintendency

The Tamalpais Union High School District Board of Trustees is pleased to announce Dr. Courtney Goode as the finalist for the position of superintendent of the district. The board is finalizing contract details and intends to approve and ratify Dr. Goode's contract and appointment as the next superintendent at its April 29, 2025, board meeting. Upon approval, Dr. Goode will be slated to begin his term on July 1, 2025.

Dr. Goode earned his bachelor's degree in history and health education from Ohio Northern University and his doctorate in educational leadership from the University of California, San Diego. Dr. Goode has served as a teacher, assistant principal, principal, and assistant superintendent of human resources.

During the interview process, Dr. Goode spoke of his dedication to advancing the academic success and well-being of all students, particularly the most traditionally underserved. He firmly believes that every student should feel they belong in their school community. Once they feel they belong, they can then believe in themselves and achieve. **Belong. Believe. Achieve.**

A retired superintendent spoke of Dr. Goode's leadership as principal at Mission Hills High School:

*"Courtney transformed Mission Hills High School, sharpened the focus on daily, high-quality instruction, enriched a culture that focuses on lifting all students to high levels of personal and academic achievement, and became enormously respected and adored by his staff and community. His success came through slow and steady relationship building, high visibility, thoughtful and intentional decision-making, and a deep commitment to sharing leadership."*

The board believes that Dr. Goode has the passion, vision, and expertise to lead our district to even greater success for all students. Dr. Goode will attend the April 29 board meeting, where we intend to ratify and approve his contract. We encourage you to attend that meeting.
