

New Reporting Requirements for the June 2025 Regents Life Science: Biology Earth and Space Sciences Exams

Attn: DDC, Principal, Science Chair, Regents Test Coordinator

DUE: 5:00 pm March 6, 2025

Helpdesk: DWTShelp@esboces.org

Two new science examinations, designed to align with the New York State P-12 Science Learning Standards (NYSSLS), will be introduced in June 2025. The current Living Environment and PS/Earth Science exams will be administered through the June 2026 **to ensure that students take the test that matches the classroom instruction they received.**

To Do:

- Identify the curriculum being taught to Secondary Science Students**

Biology/Living Environment	Earth Science
<input type="checkbox"/> Old: Biology - 03051	<input type="checkbox"/> Old: Earth Science - 03001
<input type="checkbox"/> New: Life Science/Biology - 03050	<input type="checkbox"/> New: Earth & Space Sciences - 03008

- Verify Courses using the Excel Spreadsheet** (Spreadsheet reflects aggregated sections and students)

- Biology & Living Environment**
 - Verify **Column J & K**: Does it match your curriculum above? (See Example Below)
- Earth Science & Earth & Space Sciences**
 - Verify **Column J & K**: Does it match your curriculum above? (See Example Below)
