Dear Haldane Community,

As part of our commitment to ensuring the safety and preparedness of our students and staff, we will be conducting a safety drill within the next week. The purpose of this drill is to ensure that everyone is familiar with our emergency procedures and can respond quickly and effectively in the event of an actual emergency.

Details of the Drill:

- Type of Drill: Lockdown
- Time Frame: Within the next week

Please note that the New York State Department of Education now requires school districts to notify families within one week before each drill. The exact time and date of drills are not provided for security reasons. If you have any questions or concerns regarding the drill, feel free to contact your child's principal at (845) 265-9254.

Thank you for your understanding and cooperation as we work to keep our school community safe.

Sincerely,

Carl L. Albano

Interim Superintendent of Schools

Haldane Central School District
