

LAKOTA TRANSPORTATION REGISTRATION
NON-PUBLIC STUDENTS

2025 – 2026

In order to schedule non-public transportation for the 2025-2026 school year, we need the following information by June 1, 2025. Please complete one form for each student. A new form is required each school year.

Please PRINT legibly

Student's Full Name: _____

Street Address: _____

City/Township: _____ Zip: _____

Phone Number: _____ Grade for 25-26 School Year: _____

Emergency Number: _____ Cell Number: _____

School Name & Address student will be attending 2025-2026 school year:

School Name: _____

School Address: _____

Transportation needed: _____ A.M. Only _____ P.M. Only _____ Both

Parent Name (Print): _____

Parent Signature _____ Date _____

Parent Email: _____

We must have this information by June 1, 2025 in order to complete routing and supply you with accurate pick up times. This information will be mailed the first week in August.

Parents who return the information after the deadline will not have their student included in the routing process. Parents will have to provide their own transportation for the first two weeks of the new school year or go to the nearest established bus stop. After two weeks we will assign everyone a route. Students who are occasional riders will not be included on the route and must go to the nearest established stop for pick up or drop off.

Return this completed form to your child's bus driver or to:

Petermann Transportation, 6947 Yankee Road, Liberty Township, OH 45044

For High School Students, we will be transporting FRESHMAN ONLY for the 2025-2026 school year as long as the school falls within the transportation guidelines. If you have older siblings attending the same school, we will NOT be able to provide them transportation. Please do NOT contact the Lakota Transportation Office to request transportation for students in grades 10-12 as this was a district decision that is being enforced by the transportation department. If you have concerns with this issue, please contact the Lakota Business Operations Department.
