REGIONAL SCHOOL DISTRICT #14
VISION OF A LEARNER
2025-2026

Vision of a Learner

Region 14 Students:

Think critically and creatively

They evaluate an issue or problem and develop a solution or opinion using multi-disciplinary thinking, originality and imagination.

Collaborate and communicate effectively

They find effective ways to work together and express, listen to, and exchange ideas and information in many forms.

Demonstrate empathy

They understand and respect the ideas, beliefs, and values of others to foster an inclusive environment.

Take initiative

They take ownership of learning by inquiring, setting goals, taking action and consistently reflecting.

Persevere

They persist through challenges to achieve goals and build resilience.

Adapt and adjust

They remain flexible and open to new ideas, and they adjust to new situations.

** When the Region was formed, the towns agreed to the following formula to calculate each town's share of the budget: Take the average of the enrollment for the first day of each month - September - February and determine the percentage of students for each town. These percentages for the current year are used to calculate each town's share for the next school year.*
