MARCH EVENTS & HIGHLIGHTS

APRIL 2025

DISTRICT FINE ARTS FAIR - MARCH 28

Congratulations to all of the students who participated in the District Fine Arts Fair! Your hard work, creativity, and dedication truly shone through in your performances and presentations. A special congratulations to those who placed – your talent and passion are an inspiration to us all.

SMESA - TIME TO GROW!

Plants in the greenhouse are starting to bloom! Students have been learning about the different parts of plants and how they grow! They are exploring how to grow plants both in soil and in water hydroponically as well as other growing methods cultures use around the world!

SMSA - SPRING INTO ACTION!

Mrs. Lancon's math class explored immersive art and math skills by measuring earthworms! Mrs. Mitchell & Mrs. Galland's classes were challenged to create a Mario Kart 3D racing game for their Ozobot robots.
