At Creative Minds Vertical School, we believe in giving students the power to influence their learning journey. Our one-room schoolhouse concept for K-6 students focuses on hands-on, exploratory learning, where families play an integral role in shaping the curriculum.

Creative Minds Vertical Classroom

A pathway for every passion

Are you dissatisfied with traditional schooling options and considering homeschooling?

Creative Minds Vertical School offers a fresh alternative for K-6 students. Our approach emphasizes family involvement in curriculum design and hands-on, exploratory learning activities. Students have the freedom to pursue their passions and demonstrate their knowledge through creative projects, supported by a wide array of materials and tools. Experience a school where education is personalized, engaging, and truly innovative!

Unlock Your Child's Potential with Creative Minds Vertical School!

Consider a modern-day one-room schoolhouse designed for K-6 students. We offer a unique educational approach where families have a voice in the curriculum, and learning is an exploratory adventure. Our students enjoy the freedom to choose how they demonstrate mastery, using a wealth of materials and tools not typically found in traditional schools. Discover a place where education is tailored to each child's interests and creativity thrives!

Imagine a School Where Your Child's Voice Shapes their Education.

At Creative Minds Vertical School, we believe in giving students the power to influence their learning journey. Our one-room schoolhouse concept for K-6 students focuses on hands-on, exploratory learning, where families play an integral role in shaping the curriculum. With access to endless materials and tools, our students create projects that showcase their mastery in unique and meaningful ways. Choose Creative Minds and be part of a community where education is a collaborative and creative experience!
