San Bruno Climate Action Plan Community Workshop

Join the City of San Bruno for an interactive community workshop to help shape San Bruno's Climate Action Plan (CAP) and Safety Element update! Learn about greenhouse gas emissions in our community and climate hazards affecting San Bruno and share your thoughts on solutions to create a more sustainable and resilient city.

Date: Thursday, April 24, 2025

Time: 6:00 PM - 7:30 PM

Location: San Bruno Recreation and Aquatic Center (RAC),
251 City Park Way

The workshop will begin with a presentation which will be followed by an open house with information stations and activities that you can engage with at your own pace. You're invited to come at any time. All community members are welcome! Your input will help shape San Bruno's climate action strategies and resilience planning efforts.

For more information about the Climate Action Plan and to stay updated on the project, scan the QR code to the left or visit:
