

WMS COWBOY CONNECTION

WMS Families,

I hope everyone had a great week! We had an especially nice time with our Read Across America activities. Along those same lines, we're excited for the book fair next week. Please find additional updates and reminders below!

All my best,

*Brian Bocian
Principal*

MathCounts Team!

The MathCounts team competed in two competitions over the past few weeks. At the UC Math Bowl, two of our teams earned Superior ratings, with one team achieving a perfect score. This team included Austin Lin, Micah Foote, Luca Smith, Charlie Carson, and Zev Napora Smith. At the citywide MathCounts competition, we placed sixth overall, with Micah Foote achieving the highest individual placement for Wyoming.

Read Across America Week.

Read Across America Week was a big hit at WMS! Through the week the faculty and staff promoted literacy through a variety of activities. One of our most popular theme days was “dress like your favorite book character or author.” Check out some of the creative costumes below.
