

# WMS COWBOY CONNECTION

---

*WMS Families,*

*We hope everyone had a great first week back from Spring Break! As we make final preparations for state testing this month, our PBIS focus is Resilience. Throughout April, staff will be on the lookout for signs of resilience and will recognize students who demonstrate this important trait through their actions and attitudes. You can learn more about the WCS Attributes of a Learner [here](#).*

*Please find additional updates and reminders below.*

*All my best,*
