## LEGO CAMP

Unleash your creativity and dive into the world of LEGO at our fun-filled LEGO Enrichment Camp! Designed for kids in grades K-5, this camp offers an exciting week-by-week adventure where young builders can explore new themes and challenges each week. From crafting vibrant LEGO mosaics to tackling fun, problem-solving challenges, every day brings a fresh opportunity to learn and grow in a hands-on, imaginative environment.

Limit 15 students per session

- June 2- 13, 2025 9:00-11:00 am \$100
- June 16-27, 2025 1:00-3:00 pm \$100
- June 30- July 11, 2025 9:00-11:00 am \$100
- July 14-25 , 2025 1:00-3:00 pm \$100

## CROCHET CAMP

Get ready to stitch up some fun at our Crochet Camp, designed for kids in grades 2-5! Whether you're a beginner or have some experience, this camp will teach you the basics of crochet while allowing you to create your very own handmade projects. Each day, campers will learn new techniques and patterns to make everything from cozy scarves to colorful keychains, all while exploring their creativity and building fine motor skills.

- June 2-6, 2025 1:00-3:00 pm \$50
- July 21-25, 2025 9:00-11:00 am \$50

## CRAFTY CREATIONS

This camp is the ultimate hands-on experience for young artists who love to make, create, and explore different craft techniques. With a new craft project every day, campers will discover new materials and tools, learning how to bring their creative ideas to life. Whether it's making friendship bracelets, designing unique picture frames, or experimenting with clay, this camp is all about letting kids explore their artistic talents while having fun with friends!

- June 9-13, 2025 1:00-3:00 pm \$50
- June 16-20, 2025 9:00-11:00 Am \$50

## GARDENING CAMP

Our camp will teach kids about plant life cycles, soil health, and sustainable gardening practices. Campers will work in small groups to plant flowers, vegetables, and herbs, while learning how to care for their garden and watch it flourish throughout the week. With plenty of time spent outdoors, it's the perfect camp for young nature enthusiasts!

June 30- July 3, 2025 1:00 3:00 pm \$50

## SCIENCE CAMP

Get ready for a week of mind-blowing experiments, hands-on learning, and scientific fun at our Science Camp for kids in grades K-5! This exciting camp is designed to spark curiosity and ignite a love for science through interactive experiments, creative challenges, and exploration of the natural world. The second session will focus on the world of forensic science. With guests that include a search and rescue K9 team! For grades 3-5 as we will be discussing crime scenes by dusting for prints and talking about how to collect DNA(which we can show using a strawberry)  
Limit 15 students per session

June 23-27, 2025 9:00-11:00 am \$50 Session 1

July 7-11 2025 1:00-3:00 pm \$50 Session 2

## COOK LIKE A CHEF

Get ready to roll up your sleeves and cook up some delicious fun at our Cooking Camp for kids in grades K-5! This camp is perfect for young chefs who are eager to learn the basics of cooking, try new recipes, and discover the joy of preparing tasty treats and meals from scratch.  
Limit 15 students.

July 14-18, 2025 9:00-11:00 am \$50

Enrichment Camps are separate from the District's Summer Camp program. Students are not required to be enrolled in the full-day Summer Camp to participate in the Enrichment Camps, as these are offered as an additional opportunity. However, if your child is registered for the District Summer Camp, they may also participate in the Enrichment Classes for a prorated fee of \$25 per week, which covers the cost of supplies.
